ence in the city yesterday claimed that Kawser was a Shibir activist and also publicity and publication secretary of their commerce faculty unit.

He demanded exemplary punishment to the killers and said that Kawser was killed only for his involvement with the Shibir politics.

At the conference, the ICS leaders distributed a personal report card of Kawser, notebook containing his handwriting, a diary and a receipt of subscription for the organisation among the journalists. From the personal report

card it was evident that Kawser started maintaining it since January 01, 2008. But, the admission test for his enrolling in 2007-2008 session began on January 06, 2008, university sources said. When his attention was

drawn to the contradicting dates, Shibir CU unit President Mohammad Shamsuddin claimed that Kawser became a Shibir activ-
