Vacancies Social Development Foundation (SDF)

The Government of Bangladesh's Social Investment Program Project (SIPP), a World Bank-financed rural poverty reduction program, began operations in 2003. SIPP was originally conceived as a four years pilot in the Gaibandha and Jamalpur districts to develop effective and efficient financing and institutional arrangements for improving the access to local infrastructure and basic services through the implementation of community-driven small-scale infrastructure works and social assistance programs. SDF uses a community-driven development (CDD) approach which entails a focus on community organization and principles of participation, empowerment, and downward accountability. These programs empower the poor, facilitating them to form their own organizations, to save and begin small-scale lending within their own groups to finance livelihood activities, and to plan for their village's development and manage the investment funds. Through SIPP, SDF puts funds and knowledge directly into the hands of the poor to help them raise themselves out of poverty. The AMT deployed to help SDF to implement the appraisal work of **Village Development Fund (VDF)** application in the project area. SDF is seeking application for the following position to work in the AMT from the competent candidates of Bangladesh

Successful candidates have to respect the poor, open minded to learning, poor friendly approach and should have an aptitude for community driven development.
