Photography Exhibition at JKKNIU

Aminul Islam

A photo exhibition marking the Independence Day was organised on the campus of Jatiya Kabi Kazi Nazrul Islam University (JKKNIU) on March 25. Vice-Chancellor of JKKNIU Professor Dr. Syed Giasuddin Ahmed inaugurated the exhibition as chief guest. Alok Chitra Shilpi Sangsad (Ashis) supported the programme with their rare collection of photographs.

Mili Rahman, the wife of Birshrestha Motiur Rahman, Bir Pratik Taramon Bibi and Justice Golam Rabbani, treasurer of the university Prof. Dr. Aynul Islam, Dr. Subrata Kumar Dey, Dean of Faculty of Business Administration and Ashis secretary AHM Motalab among others addressed the inaugural session.

More than 200 photographs on War of Liberation and nature were placed for the visitors.

Forty photos of international repute photographer late Naib Uddin Ahmed on the War of Liberation charmed the visitors including university teachers and students. International Bird Watcher and Bangladesh Bird Association president Enam-al-Haque's 40 photos on nature and natural elements added an extra flavour for the visitors.

Plant Fair at Maple Leaf International School

Tahsin Hyder

STUDENTS of Maple Leaf International School held Plant Fair 2010 on March 31 and April 01. Organised by the Green Club, the initiative aimed to enhance students' awareness on plantation and its contribution toward reducing our carbon footprint in the environment. "The most interesting part of the fair was that teachers, parents as well as students got to see all types of plants and understand the way they should be taken care off. The knowledge attained for this event was every positive and had a calming effect on all. I thank the Green Club for organising it" said the school Executive Administrator Ali Al Shams Mohiuddin. The fair displayed rare collection of flowers, medicine plants and even Bonsais, as the price ranged from as low as TK. 25 up to Tk. 7000.
