for the first time in Bangladesh

Achieve Excellence in Teaching through "onestopenglish"

Core Knowledge Limited (Core-K) brings Macmillan's onestopenglish for teachers in Bangladesh. With this goldmine of online teaching resources, teaching would be more fun and easier now.

onestopenglish is a must have resource site for all teachers, having over 7000 resources (worksheets, lesson plan guides, audio and many more).

Some of the features of onestopenglish are

- *Downloadable and printable resources*
- *Audio clips for phonics*
- *Resources for English and other subjects*
- *Teaching materials, lesson plan guide and notes on various topics*
- *Guidelines for topics such as classroom management, small group lesson, etc.*
- *Resources are updated every month*
- *Worksheets are clearly marked for the age and level of students*

Online subscriptions are available.
