

Dow's up but trades are scarce

AP, New York
Think Dow 11,000 is a big deal? Think again. The Dow Jones industrial average briefly hit the milestone Friday for the first time in 18 months before closing at 10,997.

Weekly Currency Update

International Markets:
This week the euro continued to be pressured the fallout from Greece, and speculation about possible renminbi revaluation provided relief to the Japanese Yen.

Abu Nasser Muhammad Abdus Zaher, chairman of Islami Bank Bangladesh Limited, speaks at the bank's quarterly branch managers' conference at Dhaka Sheraton Hotel on Friday.

Eurogroup ministers to discuss Greece

AFP, Madrid
Eurozone finance ministers are to discuss Greece's debt crisis on Sunday, a Spanish government official said Saturday, after Foreign Minister Miguel Angel Moratinos expressed hope of a solution.
