City University Foundation Stone Laying Ceremony

Md.Arifur Rahman Siddique

Foundation stone laying ceremony of City University's own permanent campus was held on 1 April 2010 to start construction work. The campus is adjacent to Ashulia Model Town and BRAC University, Ashulia, Savar.

"I hope City University will continue to contribute to the development of our nation, and our country. I believe it will become a great university in Bangladesh and in the world", said the local MP Touhid Zong Murad.

Education Minister Nurul Islam Nahid said, "It is good that City University is shifting to its own campus. Most of the private universities don't have their own campus."

"The main campus has been designed by a renowned architect of BUET, featuring modern facilities and amenities. There will be play ground, cafeteria, gymnasium, dormitories for male, female students and teachers", said Alhaz Mukbol Hossain (former MP), Chairman, Board of Governors, City University. The City University's honorable Vice Chancellor Dr. NRM Borhan Uddin , Co-Chairman Golam Fatema Tahera Khanom, Treasurer Ahsanul Islam, registrar, assistant registrar, Departmental heads, faculty members, officials, invited guests representing media personnel as well as more than 800 hundred students were present in the ceremony.

Study Tour and Fresher's Reception of A I S dept. Comilla University

Fardus Mahmud

ON 22 March about 85 students went to Cox's Bazar for a study tour. Four teachers of this department as well as students worked hard to make the tour a success. Students of the 1st, 2nd and 3rd batch participated in the tour. The students visited Himchori, Inani beach and Bangabandhu Safari Park.

The Vice-Chancellor was the chief guest of the programme. The programme was attended by Asst. Prof Bishawjit Chandra Deb, Chairman of the department. In that orientation programme the Vice-Chancellor promised that he would provide necessary support and materials for the betterment of the department.

NSD Science Fair 2010 Held

The Annual Science Fair of New School of Dhaka (NSD) took place on 1 April 2010. The participants were from Class I to Class IX. They conducted a total of 14 projects and experiments, several of which were concerned with the major problems like Natural Disasters. Other experimental approaches such as 'Steam Powered Boat', 'Hot Air Balloon', and 'Launching of Rocket' caught the attention of the viewers.

Engr Mohammed Abdul Malek, Chairman of the school visited the fair as chief guest. Lt Col Mahmud Ul Alam, PhD (retd), Principal of NSD was pleased with the work of the participants. Head of Biology at NSD and Judge of the event, Dr Mustakimur Rahman Khan expressed his satisfaction over the success of the fair.
