Adam's Garden International School Science Fair

NEVER stops questioning. With these words of Einstein, students of Adam's Garden International School were encouraged to ask their visitors questions regarding their interesting science projects. Bhasasoinik (A language movement veteran) Abdul Motin inaugurated the 4th Annual Science and Education fair on 3 April in Adam's Garden premises.

Since the slogan was 'Go Green, Have Green and Be Evergreen', all science projects were related to daily life and environmentally friendly. Parents and visitors from other schools made it very interactive and enjoyable. All the visitors were highly contented and they encouraged the students to go ahead and be more creative.
