A Tribute to Satyajit Ray

The Doyen of film making

Star Campus Desk

EVERY year, on 23 April, we observe the death anniversary of Satyajit Ray, one of the greatest filmmakers the world has ever seen. On the occasion of his birth and death anniversary, various film clubs and organisations organise film shows and discussion programmes.

Ray's movies have been seen by the film lovers and critics over and over again sine 1955 when he made his first film *Pather Panchali*. The young generation filmmakers in Bangladesh take keen interest on his films and try to learn about his technique. Today, Apur Sansar or Jalsaghar or Aguntak appeal to the young audience just the same way as they did when they were released first.
