Source: Capital Gainer/Losers tables are prepared on the basis of the close price change of the traded issues. EPS-Earning per Share, BV-Book Value per Share, etc. All EPS & BV are diluted (rest in applicable cases). Year end is mentioned below the declared dividend figure which may not related to the year end of EPS & BV & BV would be updated after getting the audited annual report of that financial year. EPS/BV and BV are calculated by special facilities which is approximate just to compare those figures among the companies under the business industry. These figures could not compare with other industry's figures.
