

Lesson 1A: WHO AM I? (Class VI-VIII)
Let's Talk about Ourselves
Developed by: BRAC University Centre for Languages

Hello Friends!!

A very warm welcome to all the students of classes VI, VII & VIII. This fun page is only for you. You will find a lot of games, puzzles, jokes and exciting activities here. So, stay with us and enjoy!!

A. Let's see how these two fish talk about themselves.

Hi! Nice weather, huh! My name is Sweetie! Please introduce yourself.

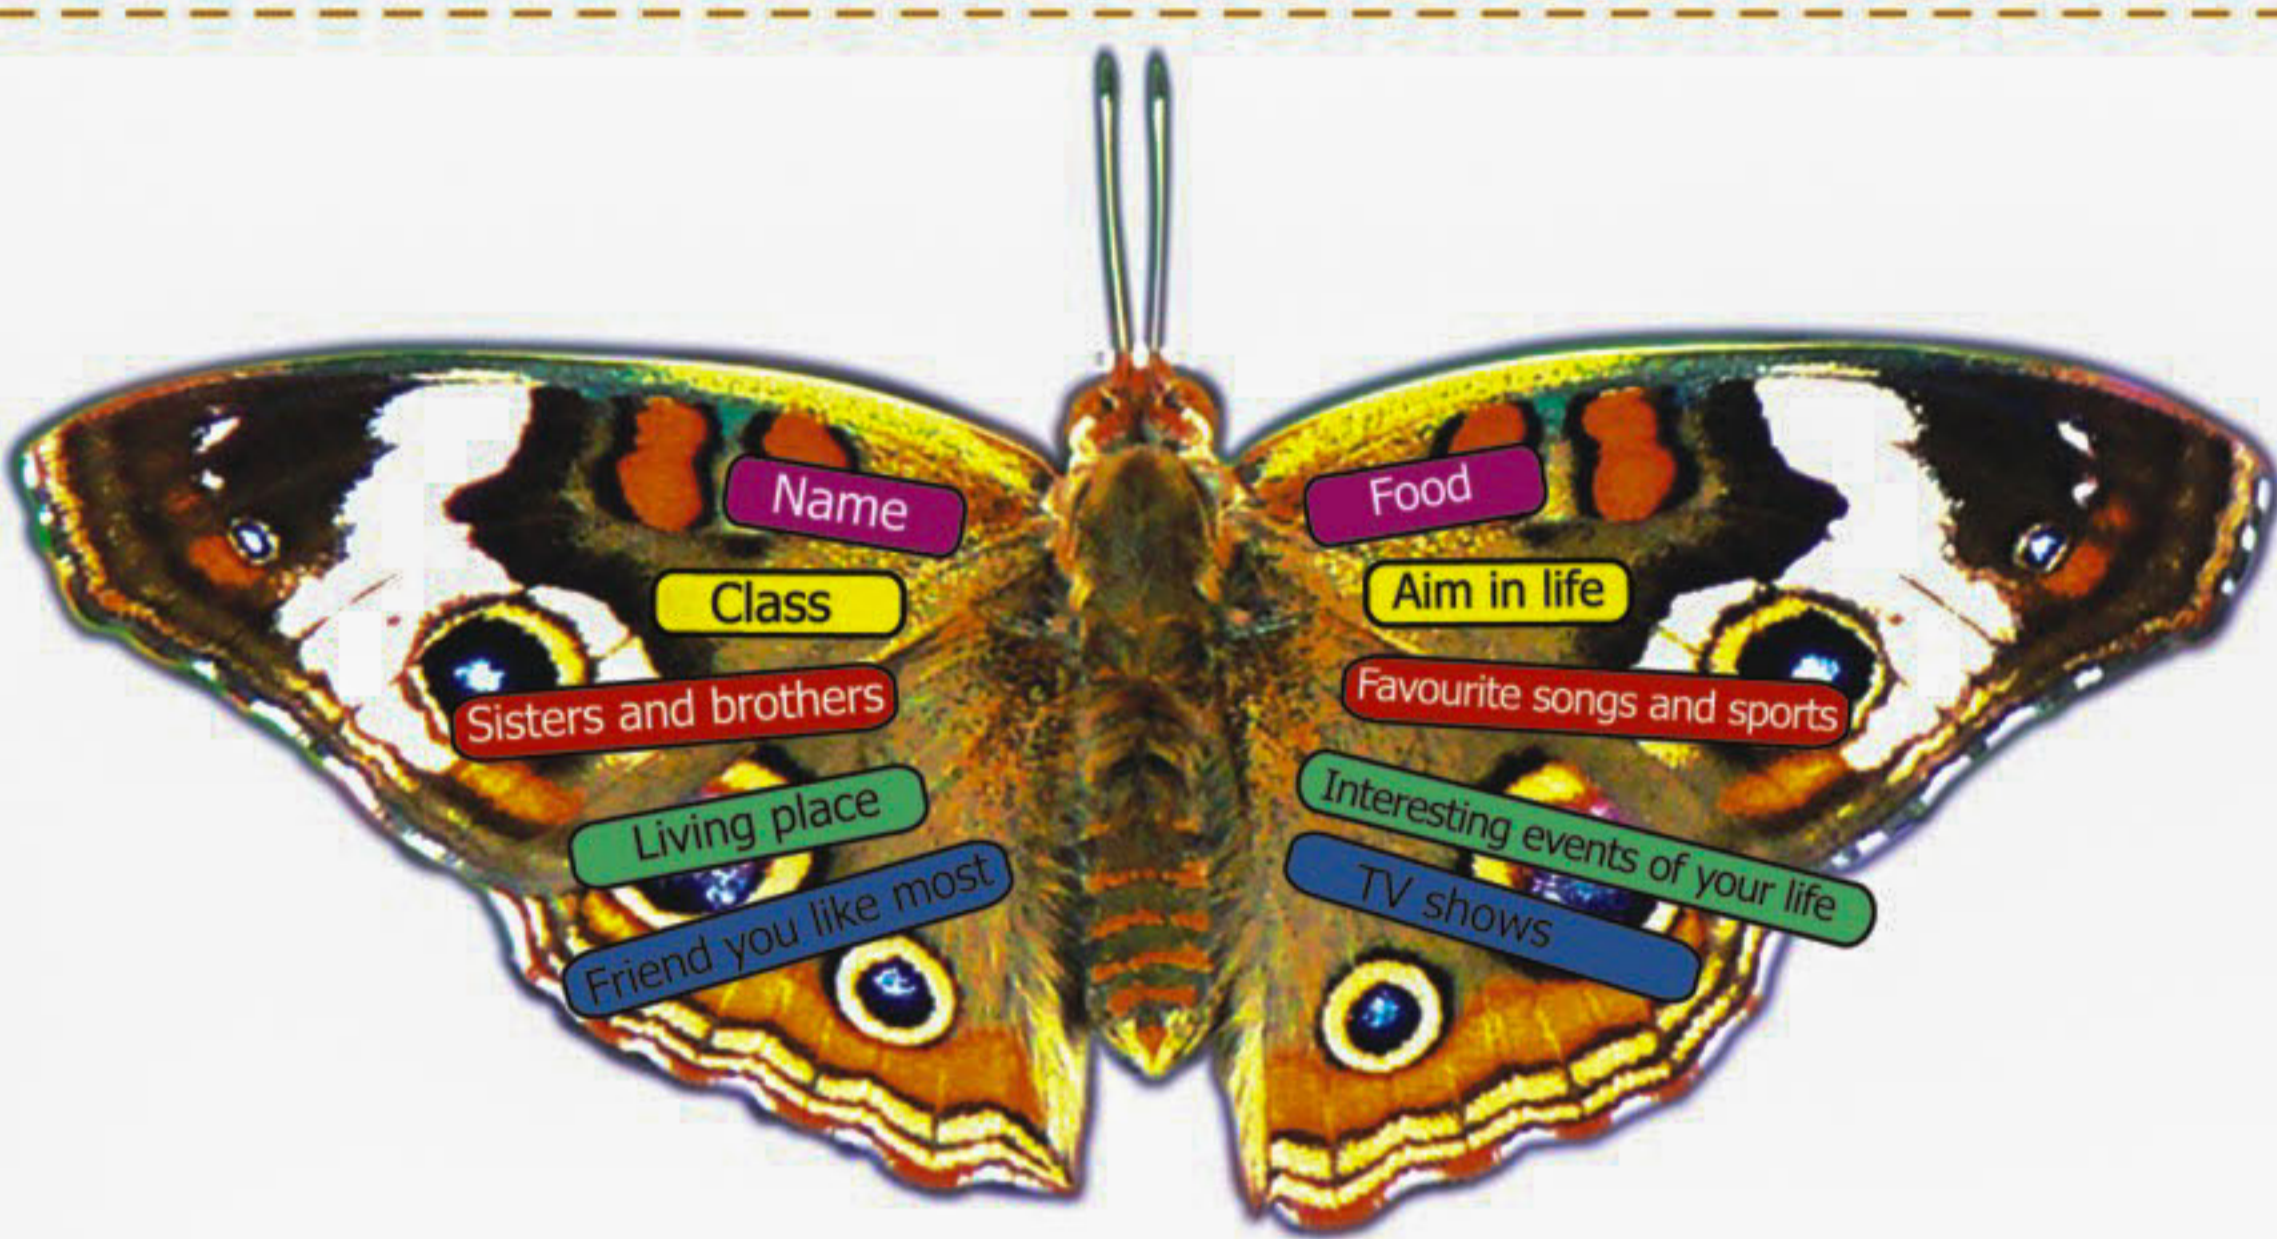

Hi! This is Big-mouth. Nice to meet you. I'm from Happy-time School, studying in class VII. What about you?

Oh that's great! I'm also studying in class VII, but my school's name is Scholar High School. I like playing cricket and tennis. Do you play any sports?

Well, not that much; but I like puzzle games a lot. It helps me think more.

Big Mouth and Sweetie have introduced themselves and talked about their likings. Can you also introduce yourself to your friend in this way? Give it a try!

B. Take a look at the colourful wings of a butterfly:

Now, draw a butterfly on a page and write about yourself in the box maintaining the order given on the wings of the butterfly. For example, you can begin with the following:

E. Guess who

Hello,
How are you? Do you like watching drama? If you do so, may be you can guess who I am. I was born on 22nd August, 1976 in Dhaka. In my childhood, I was very naughty. I liked copying others' body language. I like playing football and watching cricket. Rice with Hilsha fish is my favourite food. And you know, ADDA is my favourite activity. Now I am a very popular actor. I mainly work in drama and recently I have done a film called "3rd Person Singular Number". Now guess what my name is?

Talk to your friends and teachers to find out who I am.

Notice:

Do you want to know the answers of Section D and E? Then wait for the next issue for class VI- VIII.

DON'T LAUGH

Teacher: Mahin, can you tell me where Australia is?
Mahin: Australia is in the southern part of the world.
Teacher: Good; now Samina can you tell me who discovered Australia?
Samina: Sir, Mahin. (source: Ahsan Habib)

Water is life but we are taking life out of water

It is apprehended that if there is another world war it will be for water. Sweet drinking water is becoming scarce around the world. Bangladesh is already facing the problem in the summer. It is high time we stopped misusing and polluting water.

Let us protect our water resources, our future.
