

DHAKA'S OWN PREMIER LEAGUE

Dhaka saw a new cricket tournament named National Cricket League Twenty20 take place last month. The meet, which was organised in concordance with the highly successful Indian Premier League, saw full house almost in every match. It got off to a never-seen-before opening ceremony, lit up with unprecedented fireworks for a domestic event, and finished off, with Rajshahi Rangers taking the inaugural title beating Kings of Khulna, in an even more gorgeous manner which experienced spectacular laser shows.
