Stimulating Household Improvements Resulting in Economic Empowerment
Invitation for Expression of Interest (EOI)
Innovation Fund: Marginalised Group Round
Deadline for EOI application: 5pm, 16 June 2010

The Economic Empowerment of the Poorest (EEP) Challenge Fund has been set up by UKaid from the Department for International Development (DFID) in partnership with the Government of Bangladesh. The project aims to support the Government of Bangladesh to achieve the Millennium Development Goal targets on income poverty and hunger by enabling over 1 million people to lift themselves out of extreme poverty and achieve sustainable livelihoods by 2015. The EEP project undertakes the shree (stimulating household improvements resulting in economic empowerment) approach and uses this for purposes of branding (visit www.shree.org for further information).

shree invites Expressions of Interest (EOI) from NGOs for grant funding from the Innovation Fund. The third round focuses on a section of the extreme poor referred to as marginalised groups, examples include: **physically challenged; elderly people; ethnic, cultural and religious minority groups; culturally bound occupational groups; street dwellers; working children and adolescents**. These are examples only and shree encourages the applicant to identify and work with multiple extreme poor marginalised groups.

This round will provide grants to expand income generating capabilities of households from one or more marginalised groups, while also improving their capacity to access markets and government services. The intervention should concentrate on process innovations while encouraging product innovations that will generate assets, improve incomes, decrease dependency and vulnerability, and provide sustainable pathways out of poverty. Please visit the 'Defining Innovation' section of the website for further information on innovation.

shree supports the generation of new knowledge and learning through action research and encourages the implementation of projects on the findings of action research. Applicants can visit the website (below) for further information of international best practices on innovations in poverty reduction and our 'Idea Entrepreneur' campaign- which offers a collection of ideas from Bangladesh and abroad on poverty eradication for marginalised groups.

Applicants may submit up to a maximum of two (2) innovative ideas for consideration, only one of which may be selected.

To apply, NGOs need to fulfil the following eligibility criteria:

1. The applicant must have a current valid registration with the Government of Bangladesh (GoB) NGO Affairs Bureau;
2. Audited/verifiable annual programme turnover/revenue in Bangladesh operations of at least BDT 30 lacs (excluding microfinance activities) for 3 consecutive years from 1 January 2007 onwards.
3. The applicant must have prior experience in managing donor funded poverty reduction programmes in the past four years (1 Jan 2006 onwards).

shree will award grants with a maximum value of GBP 300,000 per NGO. Applicants are required to submit an online application in English or alternatively download the guideline for further information on hardcopy submission. At the time of submission NGO's are required to provide the following information:

1. Total number of years of experience in managing donor grant funding;
2. A list of funding institutions/donors your organisation has worked with in the past four years (1 Jan 2006 onwards) including the title of the project, total value of project, duration and implementing district.
3. A description of the innovative idea and model to enhance the socioeconomic condition and empowerment of marginalised groups. Please mention the proposed implementing district(s). Each idea/model submission should consist of a maximum of 200 words.

Prior to submitting the EOI, applicants are recommended to visit the shree website for a copy of the application guideline. For further information please email innovation@shree.org.
