If you haven't tried Veet yet,
you don't know what smoothness really feels like...

Katrina Kaif

Veet for Normal Skin contains Lotus Milk, which is known for its softening and calming properties. What's more? The pleasant Jasmine fragrance will enchant you.

Veet for Dry Skin comes with Shea Butter, known for its skin conditioning, moisturizing, anti-aging and healing properties, for outstanding softness and skin conditioning. And the exotic Lily fragrance leaves behind a fresh feeling.

Veet for Sensitive Skin contains Aloe Vera and Vitamin E. Aloe Vera is well known for its deep moisturizing and Vitamin E for its skin nourishment properties.

New Veet Hair removal cream contains special skincare ingredients for normal, dry and sensitive skin type that leave your skin feeling incredibly smooth, soft and beautiful. Its new superior formulation removes hair in just 3 minutes leaving behind a pleasant, floral fragrance. Go ahead, feel the beauty and confidence that comes from having Veet smooth skin.
