Alternative to traditional education by BAC

Star Campus Desk

WITH the slogan "Alternative to Traditional Education", BAC, a concern of British American Education Group started its journey with the mission to provide high quality international higher educational qualifications through various alternative routes. An approved center of Edexcel International and Association of Business Executives (ABE), BAC aims to provide alternative systems to traditional education based on unique pathways of doing A-level and diploma level studies leading to overseas degree/undergraduate to up programs from world class institutions. Moreover, BAC has affiliation with various UK and US based universities. Under the School of Law, BAC is offering LLB (Hons.) external program of London University and LLB (Hons.) open learning program of Northumbria University, UK. BAC also provides certificates and diplomas of Association of Business Executives (ABE), another highly reputed and worldwide recognized UK based examining body.
