## Mayor Khoka hospitalised

STAFF CORRESPONDENT

BNP leader and Dhaka City Corporation (DCC) Mayor Sadek Hossain Khoka was hospitalised yesterday afternoon after he fell sick while taking part in a demonstration in the capital.

"The mayor has been admitted to the Coronary Care Unit at United Hospital in Gulshan after he fell unconscious while walking in the procession from Muktangon," said Faruq Ahmed, a personal staff of the mayor.

Khoka became ill when the procession reached Shantinagar around 4:30pm and was rushed to the hospital by a vehicle belonging to a private television channel.

The BNP brought out the procession as part of its countrywide demonstrations against repression on journalists.

## AL LAWMAKER BODI BEATS ENGINEER Cox's Bazar contractors on indefinite strike

A CORRESPONDENT, Cox's Bazar

Local contractors yesterday went on an indefinite strike across the district protesting the beating of Roads and Highways Department (RHD) executive engineer by the ruling party lawmaker Abdur Rahman Bodi.

Bodi, an MP of Cox's Bazar-4 (Ukha) constituency beat the RHD Executive Engineer Md Abdul Halim at Kutupalong under Ukha upazila on June 16 in front of several hundred people, the association alleged.

Joynal Abedin, general secretary of the association said they informed the deputy commissioner of Cox's Bazar of the matter on June 17 and wanted to draw attention of prime minister.

He said they also gave a three-day ultimatum till June 19 demanding a fair trial and punishment to the persons involved.

Joynal said the engineer was supervising the restoration work of a collapsed road when the MP appeared on the scene.

The RHD official assured the MP of restoring the road link within two hours, he added.

## Govt pledge-bound to raise navigability of all rivers

BSS, Sangsab Bhaban

The present government is pledge-bound to raise navigability of the all rivers of the country, said Shipping Minister Shahjahan Khan yesterday.

"To this end, a 20-year master plan has been framed for the development of the internal river transportation system and a plan for increasing navigability of the rivers has been included in the master plan," he said while replying to a question raised by treasury bench member Golam Dastagir Gazi.

Besides, he said, the government has undertaken a taka 11,500 crore project for capital dredging on 53 river routes as part of its nine-year plan. "The government is making efforts to find out the donor agencies for the project to be implemented in two phases," he said.

Responding to another question raised by ruling party lawmaker Nurul Islam BSC, Shahjahan Khan said the shipping ministry approved the capital dredging project on

October 19 last year to remove 35 lakh cubic metre silt in three kilometre areas from Sadarghat to Shah Amanat bridge in the Karnaphuli river.

For the project, Bangladesh University of Engineering and Technology has been appointed as the consultant and 16 proposals for examining the pre-qualification of the contractors have been accepted to this end, he said.

The shipping minister also said the work of the capital dredging will commence in September after completion of technical and financial tender.

The government has also a plan for dredging outside part of the port limit of the Karnaphuli river, he added.

A project incorporating 24 internal river routes has been sent to the Planning Commission and the capital dredging in the Karnaphuli river will begin after its approval," he said.
