# Railway ignored since independence

Speakers tell seminar

STAFF CORRESPONDENT

Speakers at a seminar yesterday said railway can be developed as the cheapest

and most convenient mass transit system in the country that remained largely ignored since independence compared to the development of road network.

The seminar was jointly organised by Paribesh Bachao Andolon (Poba) and Work for a Better Bangladesh Trust (WBB) at Poba office.

The speakers said railway can carry a huge volume of passengers and goods with less fuel consumption and a goods train is equal to 210 trucks. The number shows that journey by train is also comparatively safer in nature, they added.

They said railway has to

close many of its stations due to shortage of manpower and has been suffering from shortage of coaches and engines when its tracks are in dilapidated condition.

Apart from negligence, they blamed donor-prescribed policies for the current state of railway. Opposing the idea of turning the railway into a corporate entity, they demanded a separate ministry for the railway.

Poba Chairman Abu Naser Khan and Communist Party of Bangladesh (CPB) President Manjurul Ahsan Khan spoke, among others, at the seminar.

## Shops, garages gutted in Ctg fire

STAFF CORRESPONDENT, Ctg

Five shops, two CNG-run auto-rickshaws and 45 rickshaws worth around Tk 14 lakh were gutted in a fire at Kamal Bazar in the port city early hours of yesterday.

Sources said the fire broke out at a shop of dry fish at the Kamal Bazar under Chandgaon Police Station at around 4.30am and spread fast engulfing four more tinshed shops of dry fish, a CNG-run auto-rickshaw and a rickshaw garage.

The fire originated from mosquito coil, said Station Officer Abul Kalam of Kalurghat Fire Station.
