## Corrected Advertisement

### Wanted a Chief Engineering Advisor

A Chief Engineering Advisor is wanted for a well established group of companies and the owner/operator of four power plants located at Kumargaon, Sylhet, Fenchuganj, Shahjibazar and at Bogra. These rental power plants are to produce and sell electrical energy to the national grid as per provision of power purchase Agreements. The prime movers are gas generators of several manufacturers from USA, UK, Japan and Germany.

The owner intends to appoint a well qualified and experienced engineer having sufficient experience in the relevant fields as Advisor to be responsible for all technical and managerial aspects of the power plants specially the one located at Fenchuganj, Sylhet.

He will be posted at the Headquarters of the company at Mohakhali C/A, Dhaka-1212. He will have to make frequent visits and keep liaison with the contractors and others and will report directly to the Managing Director & CEO and advise him in all matters regarding the power plants including their O & M aspect.

The appointment shall be for an initial period of 2(two) years which can be extended with mutual understanding. The all inclusive remuneration shall be Tk. 12,00,000.00 per annum. Higher remuneration can be agreed upon for a really deserving candidate.

A full time transport with driver and fuel will be provided for the Chief Engineering Advisor for all official works.

The intending candidates are requested to appear for an interview at a mutually convenient time and date that may be confirmed over Cell Phone No. 01713-490266/Phone No. 8828308, 9899068 or 9899279/Ext-133. No TA/DA shall be provided for the interview.

All communications will be treated as confidential.
