S Note: Capital Gainer/Loser tables are prepared on the basis of the close price change of the traded issues. EPS=Earning per Share, BV=Book Value per Share, ** indicates CDBI Listed, Category is mentioned beside company name after CDBI Mark. All EPS & BV are diluted/restated (in applicable cases). Year end is mentioned beside the declared dividend figure which may not related to the year end of EPS & BV. EPS & BV would be updated after the audited annual report of that financial year. EPS/BV of Life Insurance was calculated by special formula which is approximate just to compare those figures among the companies under life insurance industry. These figures could not be compare with other industry's figures.
