ACDI/VOCA
Expanding Opportunities Worldwide

PROSHAR Position Announcements

For 46 years and in 145 countries, ACDI/VOCA has empowered people in
developing and transitional nations to succeed in the global economy. Based in
Washington, D.C., ACDI/VOCA is a nonprofit international development
organization that delivers technical and management assistance in agribusiness,
financial services, enterprise development, community development and food
security in order to promote broad-based economic growth and vibrant civil
society. ACDI/VOCA currently has approximately 93 projects in 40 countries and
revenues of over \$124 million.

We are currently seeking four Dhaka-based technical specialists for long-term
positions on PROSHAR, a Title II USAID multi-year assistance program (MYAP)
in Bangladesh. This is a multi-sectoral integrated program. The overall goal of this
five-year project is to reduce chronic food insecurity and vulnerability of
individuals, households and communities to food security shocks.

PROSHAR Team Leader for Health and Nutrition: This position will
provide strategic direction and technical advice in the planning, designing,
implementation of preventive and recuperative maternal child health and nutrition
activities. This position will report to the PROSHAR Deputy Chief of Party but
must be able to apply a multi-sectoral integrated management approach with staff,
and other stakeholders. Knowledge of USAID Title II food aid programming and
community-based maternal and child health and nutrition experiences are essential.
He/she must be able to travel in order to work closely with the Khulna Division
based health and nutrition staff and partners in the management of field office
operations and procedures and maintain effective collaboration and coordination
with the National, divisional, district and Upazila level relevant department of
GoB, NGOs and other partners.
Qualifications: Minimum Masters degree in health, nutrition or relevant subject
matter and 15 years experience in similar technical and field posts; strong
management skills; demonstrated community-based and USAID work experiences
are required. Ability to multi-task with minimal guidance and manage priorities
and workflow are essential; excellent written and spoken English required.

PROSHAR Team Leader for Emergency Risk Response and Mitigation:
This position will provide strategic direction and technical advice in the planning,
designing, implementation of disaster risk response and mitigation activities for
Khulna Division. This position will report to the PROSHAR Deputy Chief of Party
but must be able to apply a multi-sectoral integrated management approach
with staff, and other stakeholders. Prior experience coordinating emergency
responses for complex humanitarian with international/national level partners in
Bangladesh required. He/she must be able to travel in order to work closely with
the Khulna Division based emergency risk response and mitigation staff and
partners in the management of field office operations and procedures and maintain
effective collaboration and coordination with the National, divisional, district and
Upazila level relevant department of GoB, NGOs and other partners.
Qualifications: Minimum Masters degree in development, disaster planning or
mitigation or relevant subject matter and 15 years experience in similar technical and
field posts; strong management skills; demonstrated emergency response work
experience is required; and knowledge of USAID programming highly desired.
Ability to work well under pressure; multi-task with minimal guidance and manage
priorities and workflow are essential; excellent written and spoken English required.

Internal Auditor: This position will ensure compliance with organization and
USAID regulations regarding program and financial principles through audit.
Qualifications: Minimum requirements include university degree in accounting,
commerce or financial management and a minimum of ten years' experience in a
similar position with demonstrated auditing experience with a recognized NGO or
international organization (private or public); ability to perform audit functions and
processes and adhere to ACDI/VOCA and USAID reporting requirements. ACCA,
ICSA, CIMA CPA or other recognized professional certification is preferred.
Experience in USAID funded programs and an excellent working knowledge of an
accounting package (i.e., Quickbooks) and MS Office packages are essential.

Livelihood Specialist: This position will work with PROSHAR staff and
community members to improve agricultural productivity by strengthening
cooperatives; improving the productivity and quality of target food crops;
awarding grants to rural cooperatives and NGOs to promote post-harvest
processing and commercialization of agricultural production.
Qualifications: University degree in related field (e.g., project management,
international development, international agri-business, economics, etc.) is required;
master's degree is highly desirable. At least seven years of experience working on
similar donor-funded projects or with a privately held agricultural enterprise
preferably in the Khulna area. Proven program experience with USAID procedures
and policies is highly preferred. Demonstrated proficiency in field work activities
related to livelihood development and agricultural market information. Knowledge
o Excel, use of spreadsheets and good financial skills. Excellent writing and
reporting skills in English required and proficiency in Bangla desirable.

Candidates meeting the above qualifications should send their CV along with a
cover letter indicating the position applying for by **August 10, 2010** to
cpowers@acdivo.org. Only finalists will be contacted for interviews. Women
and minorities encouraged to apply.

Vacancies at DFID

Application Support Developer (Grade B2) - 2 positions

The Application Development Support (ADS) team of The Department for International
Development (DFID) requires 2 **Application Support Developers** to join a dynamic international
team based in its Dhaka office. The ADS team is responsible for the development and support of a
wide range of core business applications for DFID, including Finance, Project Management, HR
and Knowledge and Information Management systems.

The successful candidate will join the Bangladesh development team who are responsible for the
development and maintenance of existing systems across the whole of DFID.

The individual will need to have a good knowledge/experience of Agile/RAD development
methodologies. In addition they should also have:

- Knowledge/experience of web-based development technologies, including .NET and C#.
- Knowledge/experience of relational databases
- Experience of working with a variety of colleagues at all levels in a range of specialisms
and disciplines
- Appreciation of the customer focuses for developing systems/processes
- The ability to work as part of the immediate and wider teams
- The ability to prioritise, meet deadlines and work under pressure
- Good written and oral communication skills

Desirable skills:

- Knowledge of Microsoft development tools and technologies (particularly Visual Studio)
- Knowledge of advanced technologies and approaches (web services, MVC, AJAX) would
be an advantage.
- Good analytical and interpersonal skills
- Flexible attitude and willingness to cross-train in other functional areas

The individual must have:

- At least 2 years systems application development experience involving the full lifecycle.
- Computer science qualification at least HND level.
- Bangladeshi citizenship or a work permit valid for Bangladesh.

A competitive salary starting at BDT 66,970.00 per month, plus benefits will be offered for this post.

For an **Application Pack**, please email: dfidb-recruitment@dfid.gov.uk and put "Support
Developer" in the Subject box. The papers will then be sent to you electronically. Only applications
made on the DFID Application Form and submitted in electronic copy will be considered.
Application forms should be emailed to eshna.shameem@gmail.com no later than **27 August
2010**.

Applications are welcome from all ethnic groups, women and disabled people. Only short listed
candidates will be contacted for the selection process which will be through an Assessment Centre
arrangement. Please note that the standard retirement age for locally employed staff of DFID
Bangladesh is 57 years.

TENDER NOTICE

Sealed tenders are hereby invited from reputed vendors for supply, installation and implementation
of **IP PABX system** for telecommunication across its offices in Bangladesh.

The tender schedule for IP PABX solution can be collected from the Information Technology Division,
Head Office (Eunoos Centre, 52-53, Dilkusha C/A, Level-4, Dhaka - 1000) from 10:00 A.M. to 03:00
P.M. on all working days from 8 August 2010 to 16 August 2010 on payment (non-refundable) of Tk.
1,000/- (One Thousand). The bids can be dropped into the tender box at Information Technology
Division, Head Office (Eunoos Centre, 52-53, Dilkusha C/A, Level-4, Dhaka - 1000) up to 12:00 P.M.
on 17 August 2010. The tender box will be opened at 12:30 P.M. on the same day in presence of the
bidders if any.

The Bank authority reserves the right to accept, reject and cancel any or all tenders in part or full
without assigning any reason whatsoever.
