Key Information

05. Procurement Method: Open Tendering Method

06. Source of Funds: GOB

Particular Information

07. Project Name, Project Code: Nobigonj Gas Supply & Distribution, 7420

08. Tender Publication Date: 05 (five) days from the date of Invitation of the Tender

09. Last date of Tender selling: 21-09-2010, during office hours

10. Tender Submission date & time: 22-09-2010, 12.00 Noon BST

11. Tender Opening date & time: 22-09-2010, 12.15 PM BST

12. Name and Address of the offices for

12.1 Selling Tender Document

a) Cash Counter, Finance Department, Jalalabad Gas Transmission & Distribution System Ltd., Gas Bhaban, Mendibagh, Sylhet-3100, Bangladesh

b) Liaison Office, Jalalabad Gas Transmission & Distribution System Ltd., House No-74, Road No-6, Old DOHS, Banani, Dhaka, Bangladesh

c) Accounts Division, Petrobangla, 3, Kawan Bazar C/A, Dhaka-1215, Bangladesh

12.2 Receiving Tender Document: Committee Room, 4th floor, Jalalabad Gas Transmission & Distribution System Ltd., Gas Bhaban, Mendibagh, Sylhet-3100, Bangladesh

Information for Tenderer

13. Eligibility of Tenderer: The tenderer (Supplier or Manufacturer) shall have minimum 05 (five) years overall international experience in the supply of goods in oil and gas industries are eligible to participate in the bidding. (Detailed Terms & Conditions are given into the Tender Schedule)

14. Completion time of delivery: 90 (Ninety) days

Procuring Entity Details:

15. Name & Designation of Official Inviting Tender & Address: Engr. Jashim uddin Ahmed, Project Director (Nobigonj Gas Supply & Distribution Project) Jalalabad Gas Transmission and Distribution System Ltd. Gas Bhaban (6th floor), Mendibagh Sylhet-3100, Bangladesh

16. Contact Details of the Official Inviting Tender: Telephone: +88-0821-717005 Fax: +88-0821-718964

17. Special Instruction: a) The procuring entity reserves the right to accept or reject any or all tenders without assigning any reason whatsoever. b) This Tender Notice is also available in the web site www.jalalabdgas.org.bd c) All the documents/papers Submitted by the tenderer(s) along with the tender must be Sealed & Signed by the tenderer otherwise the bid may be rejected.

Government of the People's Republic of Bangladesh

Local Government Engineering Department
Participatory Small Scale Water Resources Sector Project
LGED HQ, RDEC Bhaban (Level-5), Agargaon
Sher-e-Bangla Nagar, Dhaka-1207
Memo No. LGED/PSSW/PD/S-FSDDC/02/2010/354 Date: 08-08-2010

Invitation for Expression of Interest (EOI)

Invitation for Submission of Expression of Interest (EOI) for short listing of consulting firms for Feasibility Study & Detailed Design (FSDD) of Subprojects. Participatory Small Scale Water Resources Sector Project (PSSWRSP): Loan No- 2542-BAN(SF)

1. The Government of the People's Republic of Bangladesh has received for a sector loan from the Asian Development Bank (ADB) and loan financing from the International Fund for Agricultural Development (IFAD) for the implementation of the participatory Small Scale Water Resources Sector Project (PSSWRSP). It intends to utilize part of the project funds for consulting services for Feasibility Studies and Detailed Design (FSDD). The executing agency (EA) for the project will be the Local Government Engineering Department (LGED) of the Ministry of Local Government, Rural Development and Cooperatives (MoLGRDC). The project will implement about 240 sustainable stakeholders driven small scale water resources development subprojects in 46 districts covered by the project.

2. The services required to be provided by the contracted consultant firms in conducting feasibility studies of proposed small scale water resources development subprojects and preparing detailed design of the various component works and structures of the feasible subprojects shall broadly include (a) Collection of Data (engineering, agricultural, fisheries, social, environmental) and conducting engineering surveys (establishment of BM with RL with respect to PWD Datum at suitable locations within subproject area, longitudinal and cross sections of drainage channels/khals, embankments, irrigation canals, structure sites; land elevation spot levels over subproject area at suitable grid points; etc) (b) conducting analysis of the data, information and feasibility of the subprojects following participatory approach involving on-field consultation with local stakeholders at concept development stage and at detailed planning stage and preparation of necessary documentation & appraisal reports; (c) for subprojects coming out feasible, preparation of detailed engineering designs of various component works and structures (improvement of drainage channels/khals, embankments, construction/rehabilitation of regulators, sluices, water retention structures, etc.) including consultation & briefing of the detail designs with local stakeholders and if necessary, incorporate improvements, etc and preparation of detailed drawings, quantity estimates, bill of quantities & tender documents; (d) preparation of resettlement plans & land acquisition plans and (e) other relevant works/activities as might be necessary.

3. Feasibility studies will be assigned at the discretion of the Project Director, PSSWRSP, after completion of the engineering reconnaissance and the Participatory Rural Appraisal (PRA). Each Feasibility Study will be assigned on an "as and when ready basis". Each Feasibility Study shall be completed within 75 days from the date when they are assigned the consultancy. Detailed design work will be assigned at the discretion of the PD, PSSWRSP, if a subproject has "passed" Feasibility Study. Each detailed design shall be completed within 45 days from the date when the consultant received clearance to proceed with the detailed design of a subproject.

4. The firms not specialized in the provision of complex engineering services related to water resources development need not to apply, as they will not be considered.

5. The FSDD shall be carried out following the methodology and guidelines adopted by the project. The FSDD services will be done in 10 (ten) identical packages of around 25-30 subprojects each, located throughout the 46 districts covered by the project. The total contract period for carrying out the services will be around 60 (sixty) months after commencement.

6. For each package, a total of 4-7 firms will be short-listed. The short-listed firms will be subsequently requested to submit technical and financial proposals. Consulting firms will be selected through competition using Fixed Budget Selection (FBS) method and in accordance with the ADB's guidelines on the use of Consultants by Asian Development Bank and its borrowers (February, 2007 or as amended from time to time). Consulting firms submitting EOI should be in acquainted with the ADB's guidelines.

7. A consultant firm may submit an EOI for all or any packages. A consultant firm shall only be considered for award of maximum 2 (two) packages if they have the required capacity.

8. Joint venture/associations (JVA) will be allowed for the EOI. It is preferable to limit the total number of firms including associates to a maximum of 3 (three).

9. The LGED now invites eligible local consultant firms to submit EOIs for providing the required services. Interested parties may download the EOI template from <http://www.add.org/Consulting/toolkit-template.asp> and submit their EOI filling in the template including the followings as additional information.

a. General information of the firm that will include (i) Name and address, (ii) Trade licence/Registration Number with year and agency and, (iii) TIN and VAT registration number, (iv) Annual turnover of last 3 years, (v) Number of years in active business, (vi) Total number of permanent staff in pay-roll and list of key professional personnel with number of years in pay-roll, (vii) Organization's brochure (if any); Items (ii), (iii) and (iv) are compulsory, and will be used for preliminary screening of EOIs.

b. Core Team of Professionals: Names, Date of Birth, Educational Qualifications and Professional Experience of key professional staff on permanent pay-roll.

10. Interested firms may obtain further information at the address below during office hours.

11. The Expression of Interest will be submitted not later than 26 August 2010 up to 3:00pm local time in sealed envelope to the address of the undersigned.

Md. Shahidul Haque
Project Director

-Opening pre-qualification document	Office of the Chief Engineer, Civil Aviation Authority of Bangladesh, Kurmitola, Dhaka. Applicant's representative are allowed to attend the opening of pre-qualification documents.	

INFORMATION FOR APPLICANTS

17. Eligibility of applicants: The applicants must have the following specialized experience/capabilities:
Completion of one similar contract with following work:
Successfully completed alone or as a partner of a Joint Venture, Consortium or Association (JVCA) in at least one Airport Project of comparable size (runway length = 3000m and width excluding shoulder = 45m) with nighttime bituminous overlay construction using asphalt plant and pavers keeping the runway operational daytime within the last seven years. The applicant must have experience of works as noted below:
(1) Asphalt concrete work of at least 25,000 cum using asphalt pavers and related equipment in any 12 months period in last seven years.
(2) Asphalt concrete work of at least 120,000 cum during the last 7 years.
(3) Supply and installation of Aeronautical Ground Lighting System of value of Tk 10 (ten) million.
In order to prove the authenticity of previous works experiences the applicants must enclose experience certificate certifying the involvement of the applicant in a similar project from the employer/procuring entity in a letterhead pad containing email, web address, telephone and fax number of the employer/procuring entity. The application shall be rejected in absence of such type of certificate containing all the above noted information.
The applicant's key professional staffs to be deployed for this project must have experience of asphalt overlay construction on at least one runway during nighttime keeping the runway operational during the day within the last 7 years (for details of eligibility criteria see ADS).

18. Brief description of works: The work includes
- construction of asphalt overlay on an existing runway during nighttime keeping the runway operational during the day.
- installation of the Aeronautical Ground Lighting System.

19. Price of pre-qualification document: Tk 3,500/- (three thousand five hundred) or US\$ 50 (fifty dollar) non-refundable, to be paid through CAAB receipt challan.

PROCURING ENTITY DETAILS
