# Govt urged to take steps to stop private coaching

STAFF CORRESPONDENT

A forum of guardians of students yesterday urged the government to take steps to prohibit teachers from running private coaching as a lucrative business, says a press release.

Under the banner -- Ovibabok Oikya authorities.

Forum, they demanded implementation of the Recognised Non-Government Secondary School Teachers Terms and Conditions of Service Regulations Act 1979 that strictly prohibits private tuition and coaching activities of teachers without permission from their school

They also demanded strict action against the teachers who are violating the law, the press release added.

In a statement, the forum said: "There are also allegations that some school authorities are using their teachers to give private tuition to students and earn money in the process."

## Programmes to observe National Mourning Day

STAFF CORRESPONDENT

Different organisations have chalked out elaborate programmes to mark the National Mourning Day today.

Father of the Nation Bangabandhu Sheikh Mujibur Rahman

was killed along with most of his family members on this day in Bangabandhu Sheikh Mujib Medical University (BSMMU)
