CAREER OPPORTUNITY

Management Sciences for Health (MSH) saves lives and improves health, especially among the world's poorest and most vulnerable people, by closing the gap between knowledge and action in public health. Working from more than 30 country offices and our Arlington, Virginia, and Cambridge, Massachusetts, USA, home offices, our staff from 65 nations is highly regarded for its technical expertise, integrity, and commitment to making a lasting difference in health. We live our mission to save lives and improve the health of the world's poorest and most vulnerable people by closing the gap between knowledge and action in public health. For more information about MSH, please visit our web site at [www.msh.org](http://www.msh.org). MSH is recruiting for senior-level managers and technical experts in anticipation of a health systems and health services procurement.

MSH seeks:  
• Chief of Party  
• Deputy Chief of Party  
• Monitoring and Evaluation Advisor  
• Technical Advisors

Please note that these positions are contingent upon MSH being awarded the project. Complete job descriptions are available at <https://jobs-msh.icims.com> or via the links in this advertisement.

Qualifications:  
The Chief of Party should possess significant (10 years or more) experience designing, implementing, and managing complex primary health care programs in developing countries on a similar scale as well as technical depth in two or more anticipated areas of this project, including capacity building, family planning/reproductive health; health service delivery; health systems strengthening; or human resources for health. He or she should possess demonstrated excellent leader, management, and negotiation skills. To apply, please visit: <https://jobs-msh.icims.com/jobs/3601/job>.

The Deputy Chief of Party should possess substantial (8 years or more) technical and management experience needed to provide excellence in program design, implementation, and management. To apply, please visit: <https://jobs-msh.icims.com/jobs/3602/job>.

The Monitoring and Evaluation Advisor should possess substantial, senior-level experience in evaluation design, development of indicators, and data analysis with a proven record in M&E, preferably in the field of public health. To apply, please visit: <https://jobs-msh.icims.com/jobs/3603/job>.

The Technical Advisors should possess substantial, senior level and state-of-the-art experience in the following technical areas:

- Behavior Change Communication (<https://jobs-msh.icims.com/jobs/3623/job>).
- Family Planning and Reproductive Health (<https://jobs-msh.icims.com/jobs/3610/job>).
- Leadership and Management (<https://jobs-msh.icims.com/jobs/3608/job>).
- Training and Human Capacity Development (<https://jobs-msh.icims.com/jobs/3607/job>).

All positions require a Master's degree in a relevant field; demonstrated managerial and organizational skills; and excellent oral and written English.

To apply, please submit a cover letter, CV, daytime telephone contact and three professional employment references to the link listed after each position. Only short listed candidates will be contacted.
