The 5th Examination Board held at Pearl Fashion Institute

THE 5th Examination Board was held at Pearl Fashion Institute for the 5th cohort of the two-year Foundation Degree in Fashion Merchandising and Production Technology. Mr. Gerald Faraday, ex Dean London College of Fashion and Mr. Venkatesh, Country Manager, Asmara Buying House were the External Examiners for the board. Ms. Susan Jane Bartholomew, Standards and Quality Manager, School of Art and Design, Nottingham Trent University participated in the boards in the authority of the Verifier from NTU, United Kingdom. The board was a great success with both the External Examiners complimenting the Course Team on their achievement of delivering the programmes at the same international standards and levels which are maintained all over the world. They were impressed at the students work from both the batches and felt that some very high standard of work was achieved.

Pearl Fashion Institute stands as the first and only validated delivery center for 4 years BA (Hons) Fashion Design and Fashion Merchandising and Production Programmes of Nottingham Trent University, UK in Bangladesh.

First Bangladeshi medical teacher awarded Prestigious FAIMER fellowship of USA

DR. Abdul Hanif Tablu, Assistant Professor, Dept. of Pediatric Surgery, Dhaka Medical College & Hospital, was awarded the prestigious FAIMER fellowship, USA as the first Bangladeshi medical teacher. Foundation for International Medical Education & Research (FAIMER) is a foundation of Education Commission for Foreign Medical Graduate (ECFMG) situated in Philadelphia, USA.

The FAIMER Institute fellowship programme is designed for international health professions educators who have the potential to play key roles in improving health professions education at their institutions. The programme will help Fellows develop curricula uniquely appropriate to their own schools and communities

Dr. Hanif is a graduate of DMC year1989, batch K-40. He completed a five year masters program on Pediatric Surgery from Bangladesh Institute of Child Health of Dhaka Shishu (children) Hospital under University of Dhaka in 2001.
