Second Urban Primary Health Care Project (UPHCP-II)
Project Management Unit (PMU)

Invitation for Submission of "Expression of Interest (EOI)" from Research Institution/Consulting Firm for Conducting Operational Research on "Effective Pro-Poor Targeting under UPHCP II"

[Package # S10]

Memo No: UPHCP-II/PMU/2010/Research/6-1(Package # S10 & S11)/4123 Date: 28/09/2010

The Government of the People's Republic of Bangladesh has received a loan and a grant from the Asian Development Bank (ADB), co-financing from the United Kingdom's Department for International Development (DFID) and Swedish International Development Agency (SIDA) and parallel co-financing from the United Nations Population Fund (UNFPA) and ORBIS International [Loan 2172-BAN(SF), Grants 0008(SF), 0009 and 0010-BAN] towards the cost of the Second Urban Primary Health Care Project (UPHCP-II), and it is intended that a part of the proceeds of this financing will be applied to eligible payments under the contract for Operational Research.

The Local Government Division, Ministry of Local Government, Rural Development and Cooperatives, is the Executing Agency. Six City Corporations and five Municipalities (Bogra; Comilla; Sirajgonj; Madhabdi; and Savar) are the implementing agencies of this project. UPHCP-II is expected to close in December 2011.

The Project Management Unit (PMU) of the Second Urban Primary Health Care Project (UPHCP-II) invites Expression of Interests (EOI) from reputed research institute/firms from ADB member countries (registered in Bangladesh) for short listing for the services in order to conduct Operational Research (OR) under the following thematic area: "Effective Pro-Poor Targeting under UPHCP-II". The Research Institution/Firm will conduct/carry out the research on the abovementioned area by following the grounds/instruction mentioned below:

Effectiveness and efficiency in targeting of the publicly subsidized programs to the poor has always been a big development challenge. UPHCP-II provides for free services to the people below poverty line. UPHCP-II has an operational definition of the poor. Development literature shows that a number of strategies with varying degree of success can help in improving the pro-poor targeting. However, the effectiveness and efficiency of pro-poor targeting are contextual and hence there is need to know what would work in Bangladesh UPHCP context. The OR will review the development literature relating to delivery of urban PHC services in similar context like Bangladesh, and design operational research to assess the strategies for pro-poor targeting. The research should be completed within 6 (six) months period involving 5 (five) experts for a total of 30 (thirty) person months (the consultants expected to spend all their time in Bangladesh).

The operations research study will include a dissemination plan that generally encompasses seminars at appropriate administrative levels in the area where the study was carried out, and a variety of ways to reach a larger audience such as monographs of research results, presentations at international conferences, and summaries in the UPHCP-II newsletter and on the UPHCP-II World-Wide-Web (www.uphcp.org) page.

Interested Research Institutions/Firms are requested to submit Expression of Interests (EOI) in the EOI submission template. The EOI should be substantiated by attachment of necessary printed brochures showing organizational identity & background, financial standing, past experience in and academic background etc. and an inventory of past and present assignments of similar nature and other information that must show the consultants ability to carry out the assignment satisfactorily. In case of alliance/consortium/joint venture, all members of such entity should have real and well-defined inputs to the assignment.

Quality and Cost Based Selection (QCBS) procedures will be followed for the selection of the research institution(s)/firm(s). The institution(s)/firm(s) will be engaged in accordance with the guidelines on the use of consultants by ADB and its borrowers (February 2007) and the Public Procurement Rules (PPR), 2008. Interested firms may obtain additional information from the PMU office of UPHCP-II during office hours.

The EOI must be submitted according to the ADB's prescribed template (www.adb.org/consulting/toolkit.asp). The EOI Notice, Terms and Reference and EOI submission template will be available in the project's website (www.uphcp.org). Interested institute/firms may also get detailed information and related documents from the website/office of the undersigned on or before seven days of last date of submission. The EOI should be submitted in a close envelop to the address of the client (UPHCP-II) as mentioned below. Name and address of the firm, Contract Package Number, title of the research shall be clearly marked on the outside of envelop. If the envelopes are not sealed and marked as required, the client will assume no responsibility for the misplacement, or premature opening of the EOI.

The EOI with supporting documents must be submitted in the EOI submission template to reach the following address not later than 12.30pm (Bangladesh Time) on 14/11/2010.

Project Director, Second Urban Primary Health Care Project (UPHCP-II),
Project Management Unit (PMU),
Room No-621, Nagar Bhaban, 5, Phoenix Road, Dhaka-1000, Bangladesh.
Phone: 880-2-9550917; Fax: 9569124; Email: pduphcp2@gmail.com, www.uphcp.org
Late submission and any deviation from the template will not be acceptable. The authority reserves the right to cancel all or any of the EOIs without assigning any reason whatsoever.

Project Director
UPHCP-II

Note: The original (1) and three (3) copies of EOIs should be submitted to Project Director, UPHCP-II in the abovementioned address. Another one copy of EOI should be submitted to Bangladesh Resident Mission, ADB, Dhaka at the same date and time and shall be addressed to: Country Director, ADB, BRM, Plot No. E-31, Sher-e-Bangla Nagar, Dhaka-1207, Bangladesh.
