The blazing summer sun finds its way in the fall or the autumn season, while allowing a bit of the rain to come in as a breather once in a while. Students on the other hand are too busy blending in with the transitions of the season.

4-11

Fashionable Fall

12-13

China Learns from Bangladesh

In my view, this was a very successful visit by high level policy makers, administrators and researchers from China, whose experience in Bangladesh would go a long way to build a positive relationship between our two countries and people.

24-25

Each year, the programme trains Masters and Post-Doctoral students from across the world bringing the biotechnology and pharmaceutical industry closer to the young talents.

Novartis International BioCamp 2010
