Set up amid unhygienic swampy surroundings of paddy fields, Badarpur Junior School in Patuakhali Sadar upazila has been selected as a centre for Junior School Certificate examinations starting today. Inset, muddy floor of a school-room.

# An exam centre for JSC kids indeed!

SOHRAB HOSSAIN, Patuakhali

An examination centre of Junior School Certificate (JSC) examinations starting from today has been selected in a shabby schoolhouse surrounded by paddy fields in a Patuakhali village.

The selected school does not have sufficient accommodation, sanitation, water supply, electricity and security system facility at the site. As a last moment arrangement the authorities built a makeshift toilet a couple of days ago.

Barisal education board has selected 61 new examination centres in six districts and Badarpur Junior School is one of them.

The school was set up in 2005 without the approval of the board and is yet to receive approval or MPO (monthly payment order) listing.

Badarpur Junior School is situated on a paddy field, has a mud floor and does not have any permanent toilet. A tubewell in front of the school lies useless since Sidr. There is no electricity connection and no boundary wall, which is important to maintain security of the examination centre.

It is a matter of concern how the centre will even accommodate the 192 examinees, as the schoolhouse is only 20 feet wide and 275 feet long. There are six rooms including an

office room.

The headmaster of Badarpur Junior School said, "Please do not publish a report in this regard. If you do, the education board might remove the centre from my school."

Nurul Islam, headmaster of nearby Gabua Janata High School, said, "Thirty-seven students of my school will sit for the Junior School Certificate examinations at Badarpur Junior School and the centre has no facilities."

Md Siddiqur Rahman, acting district education officer, said, "I visited the school and reported the lack of facilities to the higher authorities."

Prof KM Enayet, who had signed the order for examination centre at Badarpur Junior School as the controller of examinations, said, "I have been transferred to Bakerganj Government College as its principal. The chairman of the board can say better about the centre."

Dr Bimal Krishna Mazumder, chairman of Barisal Education Board, said, "About 90 percent schools in Barisal district lack proper sanitation."

"We made the school a centre so that the children from nearby areas do not have to go to the town," Dr Bimal said.

## Agitators besiege BRTA office

STAFF CORRESPONDENT, Sylhet

About 1,000 people yesterday put the office of the assistant director of Bangladesh Road Transport Authority (BRTA) in Habiganj town under lock and key protesting delay in issuing licences and route permits from the office.

Bus, truck, auto-rickshaw and private car owners and transport leaders and workers reached the BRTA office in the afternoon to receive their licences, route permits and other papers. Finding Assistant Director Habibur Rahman, office assistants Abdul Wadud and Subhash Roy not available in the office, they became agitated and locked the office.

Addressing a rally on the office premises, the agitators alleged the local BRTA office staff have been involved in corruption for long. The BRTA men unnecessarily harass people and issue fake licence and route permit in exchange for money, they said.

The agitators demanded delivery of licences and other documents by Wednesday next. Otherwise, they threatened to launch a greater agitation programme.

Later, they met the deputy commissioner (DC) and submitted a memorandum to him demanding punishment to the corrupt BRTA staff. The DC assured the agitating people of probing into the allegations against the BRTA men. If anybody found involved in corruption, he would be punished, the DC added.

Habiganj Sarak Paribahan Sramik Union General Secretary Sajib Ali, advocate Farid Uddin, Ashutosh Adhikary Sanker and others addressed the rally.
