

We've become the premier global life insurance company overnight,

but we've been working on it for 200 years.

Metlife and Alico have teamed up to become the premier global life insurance company. Now, we're not just a leading insurer in the Middle East and South Asia, but one of the largest in the world. However, big is only better, if it's better for you.

Our collective heritage brings over 200 years of integrity and financial strength. And we're going to continue to offer more protection with even better products and services. That leaves one question. What can we do for you?
