**Package No. CRDP/LGED/S-02**

1. Government of the People's Republic of Bangladesh (GOB) will receive a loan, subject to final approval scheduled in December 2010 from the Special Funds resources of Asian Development Bank (ADB) towards the cost of City Region Development Project (Proposed, ADB Project Number: 39298), and intends to apply a portion of the proceeds of this loan to eligible payments under the consultancy services for which this Invitation for Expression of Interest (EOI) is issued. The terms and conditions of the contract and payments by ADB will be subject to the terms and conditions of the Loan Agreement. Except as ADB may specifically otherwise agree, no party other than GOB shall derive any rights from the loan or have any claim to the proceeds of the loan.

The project will target city regions centered at Dhaka City Corporation (DCC) and Khulna City Corporation (KCC) and support development of key urban infrastructures, focusing on urban environment and local economic development. The project will also support the government to improve regional urban planning and municipal management for effective and sustainable urban development.

3. Being selected as the Executive Agency (EA) for the project, Local Government Engineering Department (LGED) under Local Government Division (LGD) of the Ministry of Local Government, Rural Development and Cooperatives (LGRD&C) now invites eligible consulting firm(s) who have adequate (at least five years) experience in urban development sector to submit Expression of Interest (EOI) for Municipal Capacity Development (MCD) Consultancy Services for City Region Development Project (Proposed) as a part of advance action plan agreed during loan fact finding mission in June-July 2010 and subsequent loan negotiation on 10 October 2010.

MCD consultants will also explore ways to corroborate with relevant public, professional, and private bodies such as Municipal Association for Bangladesh for municipal capacity development. The consultancy package will involve anticipated 8 person-months of international experts, and 54 person-months of national experts. As this is a sector project, professional input will be staggered over the project period. MCD consultancy services also include substantial input of support staffs such as facilitators for five specific categories of interventions to facilitate post-UGIIP and new pourashavas, city corporations and urban centres. The firm will be selected through international competitive bidding following quality-and cost-based selection (QCBS) procedures in accordance with ADB's guidelines on the Use of Consultants (April 2010 or as amended from time to time). Project implementation is scheduled to commence in August 2011 for a period of 60 months until July 2016.
