

## OVERCOMING ALL ODDS

In a country where outdoor activities are limited, a run, a hop and a jump holds a special place in the heart of our special children.

With this in mind, the 5th National Games of the Special Olympics was held at the Army Stadium last month.

As many as 400 intellectually-challenged athletes took part in the competition, aimed for

qualification in the Special Olympics 2011 to be held in Athens. In the last event in Beijing in 2007, Bangladesh won 71 medals.

Gameenphone arranged the two-year long training programme, through which these special athletes took part in the fifth occasion of the National Games.
