Passion for innovation
Key to human development

At EBL, agile minds are at the heart of all performance. We are tech-savvy and are open-minded to embrace changes in a globalised world.

We are the first local bank to go online. We are also the first bank to introduce Social Media like facebook and twitter to get up-close and redefine our relationship with our customers. We recognize innovation's social value to gain advantage for everyone we work with.

After all, what good is business if we are not innovative and bring technological advantages for our customers.

At EBL, we call it sustainable banking.
