Government of the People's Republic of Bangladesh
Local Government Engineering Department
Union Parishad Connecting Roads Improvement Project:
Patuakhali and Barguna District (Phase-II)
Agargaon, Sher-e-Bangla Nagar
Dhaka-1207

Memo No: LGED/PD/UCRIP-II/C-2/2010/PB-C/07/2010/1519 Date: 30/12/2010

Request for Expression of Interest (EOI)

- The Government of the People's Republic of Bangladesh (GOB) will provide fund from development budget towards the cost of some different size of long RCC Guide bridges at different upazila in Patuakhali & Barguna district under Union Parishad Connecting Roads Improvement Project (Phase-II). It intends to apply part of the proceeds of this fund to payments under the contract for consultancy services for Hydrological and Morphological Study in order to prepare Planning and Design of the proposed scheme under this project. (Package No: UCRIP/PB/LB/07). All payments for the consultancy services will be made in Bangladesh currency i.e. Bangladeshi Taka.
- The Local Government Engineering Department (hereinafter referred to as the client) now invites Expression of Interest (EOI) from reputed consulting firm (National) or firms in joint ventures/association in order to prepare short-listing of the consultancy services to conduct Hydrological and Morphological Study for Planning and Design of the Consultancy services to conduct abovementioned tasks of 3 (three) Nos. RCC bridges at different upazila in Patuakhali & Barguna district.
- The Local Government Engineering Department (LGED) of Local Government Division under the Ministry of Local Government, Rural Development & Co-operative represented by the Project Director, Union Parishad Connecting Roads Improvement Project (Phase-II) will be Client for the Project.
- As part of the services the consultant will:
The scopes of work in relation to the proposed study are as follows:
 - Conducting field visit at bridge site and the river reach;
 - Collecting and processing of existing data;
 - Collecting field data on bathymetry, bankline, hydrometry;
 - Consultation with BIWTA regarding navigational requirements of all kinds ships, water vessels, etc;
 - Consultation with BWDB regarding design criteria of RTW;
 - Statistical analysis of water levels at the bridge site to determine the highest and lowest water levels for different return period;
 - Developing two dimensional morphological model of the Lohalia River covering the bridge site;
 - Studying various options for selection of bridge site and type of RTW;
 - Selecting suitable location for bridge and alignment of approach road;
 - Determining design parameters for the bridge and the river training works;
 - Preparing hydraulic design of bridge including length of bridge, height of bridge and scour levels at bridge pier and abutment;
 - Preparing design of RTW as necessary for safe operation of the bridge;
 - Assessment of future bank movement with and without bridge condition;
 - Identify adverse effects like erosion, deposition, over flooding at upstream or downstream of the proposed bridge due to construction;
 - Prediction of morphological changes in the vicinity of the bridge;
 - Consultation with the concerned engineers at various phases of the study;
 - Technology and skill transfer to LGED engineers;
 - Reporting & presentation.
- Selection/short-listing will be made in accordance with Quality and Cost-based Selection (QCBS) procedure, following the procedure indicated in Public Procurement Rules-2008 (PPR-2008).
- The client will conduct the short-listing of interested consultant firms for the abovementioned consultancy services. The firm must have previous experience of rendering consultancy services 5 years experience in mathematical modeling study, bridge hydraulic design, river stability assessment, planning and design of river training works and other relevant works as stated in the scope of work and services at least in 5 (five) similar projects during the last 5 (five) years. The EOI shall be submitted along with the following documents:
 - Background of the firms with brochures.
 - Summary of similar nature of works experience on the last 5 (five) years with assignment name/start date/completed date including financial year.
 - Organizational information, manpower having relevant experience and professional qualification.
 - Financial statement supported by audit report last 3 (three) years.
- Interested reputed consulting firm or firms in joint ventures with another firm are being invited to submit their EOI for short-listing. The capabilities of only the lead partner will be short-listed. LGED will not entertain any claim with whatsoever in this respect from other partner of the associations for not mentioning their name along with the lead partner.
- The EOI with supporting documents must be delivered at or before 12.00 noon on 30-01-2011, in sealed envelopes, marked with "EOI for consultancy services of Hydrological and Morphological Study for Planning and Design short-listing of the consultancy services to conduct abovementioned tasks of 3 (three) Nos. RCC bridges at different upazila in Patuakhali & Barguna district. Package No. UCRIP/PB/LB/07" to the signatory addressed and late submission will be rejected.
- The request for proposal to submit detailed technical and financial proposal is expected to be issued to the short-listed firms by February 2011. The employer will not be responsible for any costs or expenses incurred by the firms in connection with the preparation or delivery of the EOI.
- The procuring entity reserves the right to accept any or reject all EOIs.

S M Salim
Project Director
UCRIP (Phase-II)

GD-09

Government of the People's Republic of Bangladesh
Khulna Water Supply and Sewerage Authority (KWSA)
1062/1Ka, Khan -a- Sabur Road, Khulna, Bangladesh

Memo No.: 06/20-11/60 (25) Date: 27/12/10

Invitation for Expression of Interest (EOI)
Corporate Management Support Consultancy for Khulna Water Supply Project

- Government of the People's Republic of Bangladesh (GOB) will receive a loan from the Special Funds Resources of Asian Development Bank (ADB) towards the cost of Khulna Water Supply Project (ADB Component), ADB Project Number: 42171 and intends to apply a portion of the proceeds of this loan to eligible payments under the consultancy services for which this invitation for Expression of Interest (EOI) is issued. The terms and conditions of the contract and payments by ADB will be subject to the terms and conditions of the Loan and Project Agreement. Except as ADB may specifically otherwise agree, no party other than GOB shall derive any rights from the loan or have any claim to the proceeds of the loan.
- The Khulna Water Supply Project comprises river intake, surface water treatment plant, impounding reservoir, raw water transmission pipeline, treated water transmission pipeline (including river crossing), overhead water tanks and distribution networks, institutional development and capacity building through co-financing of ADB and JICA.
- Being the Executive Agency (EA) for the project, Khulna Water Supply and Sewerage Authority (KWSA) under Local Government Division (LGD) of the Ministry of Local Government, Rural Development and Cooperatives (LGRD&C) now invites eligible consulting firm(s) having adequate (at least five years) experience in institutional development and corporate management consultancy, especially for water utilities, to submit Expression of Interest (EOI) for Corporate Management Support Consultancy under Khulna Water Supply Project.
- The consultancy package will involve anticipated 30 person-months of international experts and 147 person-months of national experts. The firm will be selected through international competitive bidding following quality-and-cost based selection (QCBS) procedures in accordance with ADB's Guidelines on the Use of Consultants (April 2010 or as amended from time to time). The consultancy assignment is likely to commence in October 2011.
- The scope of consulting services shall be to support KWSA in improving and strengthening KWSA's operations and management covering specifically, but not limited to, the following:
 - Implementation and update of Business Plan;
 - Improvement of financial accounting and management system;
 - Design and implementation of new tariff structures;
 - Establishing good corporate governance practice;
 - Preparation and implementation of communications and public awareness strategies;
 - Advising KWSA management in relation to implementation of the performance management agreement with LGD and operations monitoring and benchmarking;
 - Assisting KWSA in human resource management, in particular planned organizational changes; and
 - Assisting KWSA in improving information technology systems, including MIS, accounting, billing, and GIS mapping.
- EOIs may be submitted by a firm, association, or joint venture. An international firm can participate in one EOI only as a lead firm, associate or partner. A national firm can participate in one EOI only as a lead firm but can participate in more than one EOI as an associate or partner. To avoid confusion and possible elimination after short-listing, lead firms of associations or joint ventures are strongly advised to confirm relationships (exclusive or non-exclusive) with selected associates or partners prior to expressing interest.
- Interested firms should submit EOI in standard template for consulting firms (available for download from web address: <http://www.adb.org/consulting/toolkit-template.asp> along with:
 - Cover Letter signed by authorized signatory with name(s), address(es), contact details of partners / associates (if any),
 - Agreement of Joint Venture or Association or Partnership with clear indication of share of responsibility and business (if applicable),
 - Additional information / documentation on the following (documentary evidence to be attached):
 - Legal Status (Trade License and proof of other Registration such as Value Added Tax (VAT), Taxpayer's Identity Number (TIN) etc.,
 - Nature of business or operation,
 - Years of similar, relevant and general experience;
 - Annual turnover of last 5 (five) years;
 - Company Profile or Brochure, and
 - Information of core team of key professionals on permanent pay roll (Name, Date of Birth, Educational Qualification and relevant Professional Experience – Time & Brief Description).
- Further information, template of EOI and outline Terms of Reference will be available at the office of the undersigned during regular office hours.
