

LONG LIVE BHUTAN-BANGLADESH FRIENDSHIP

We felicitate

Lyonchhen Jigmi Y. Thinley,

Hon'ble Prime Minister of Bhutan, and Chairman of SAARC,

and his delegation

for the historic State Visit to the People's Republic of Bangladesh, from 10-14 January 2011.

This visit is an embodiment of close ties of friendship and co-operation that Bhutan and Bangladesh enjoy.

It is also an affirmation of commitment to the common aspirations of SAARC member countries to build a peaceful, prosperous and happy South Asia.

On this occasion we pray that the existing friendly relations between the two countries and solidarity of SAARC will be further strengthened in years ahead.
