Bangladesh Investment Climate Fund (BICF)

Managed by IFC in partnership with DFID and European

Job Opportunity at the International Finance Corporation

Application Deadline: 3 February 2011

The International Finance Corporation (IFC), a member of the World Bank Group, promotes sustainable private sector investment in developing countries as a way to reduce poverty and improve people's lives and in doing so offers a unique combination of investment and advisory services to its clients. BICF is IFC's largest single-country advisory facility dedicated to investment climate improvements. It is funded by U.K.'s Department for International Development and the European Union and managed by IFC. BICF's mission is to assist the Government of Bangladesh in promoting pro-poor growth for increasing income and employment for the poor through improving the investment climate. Consistent with IFC's focus on developing the frontier countries and regions, BICF works with the Government of Bangladesh (GOB), the country's private sector and representatives of civil society, to design and implement business friendly policies, laws and regulations, while strengthening the underlying institutions responsible for their implementation.

BICF invites eligible candidates to indicate their interest in the position of **Operations Officer (Business Taxation Specialist)** in the **Regulatory Simplifications** unit based in Dhaka. The Business Taxation Specialist provides technical and project management input to the roll out, design and implementation of the Tax Streamlining Program.
