

# 'Free JNU halls from occupants'

STAFF CORRESPONDENT  
Students of Jagannath University yesterday demanded of the government to free several of its

residential halls occupied by people of different quarters for long. The students formed a human chain at its campus in the city, observing 'Resi-

dential hall retrieval day' like past years as 12 residential halls in city's Bangshal and Kotwali area are occupied and no student now reside there.

Jagannath University Proctor Kazi Asaduzzaman Khan said the students handed over a memorandum to them in this regard.

He added that during Jatiya Party regime, students were allowed to live in the halls though the university had no legal documents of these establishments.

He said the higher authority of the government was requested to recover the halls.

## Hearing on charge framing against Engr Mosharraf Feb 3

COURT CORRESPONDENT

A Dhaka court yesterday fixed February 3 for hearing on charge framing against former housing and public works minister Engineer Mosharraf Hossain in connection with a graft case filed against him in August 2002.

Judge (in charge) Mohammad Jahangir Hossain of the Special Court for Dhaka Division set the date after Mosharraf appeared before it.

The trial proceedings against former forest and environment minister and now Deputy Leader of the House Syeda Sajeda Chowdhury was earlier quashed following an order of the higher court.

The case was stayed following an order from the High Court (HC). Later, the HC vacated the stay order and ordered to continue its trial proceedings.

According to the prosecution, it was alleged that Mosharraf while he was in charge of housing and public works ministry, by using power and violating rules and provisions of the Rajuk, allotted five kathas of land to Sajeda at Banani in the city even though she had another plot at Nikunja.
