## Food spend shoots up

Govt expenditure to rise by 42pc as world prices reach record high

REJAUL KARIM BYRON and SOHEL PARVEZ

The government expenditure for procuring food is set to shoot up by 42 percent or Tk 3,078 crore in the current fiscal year, as it moves to buy grains from the heated world market that saw a historic peak in food prices.

The government turned to the global market since its bid to procure desired quantity of rice from the domestic market did not succeed.

The move comes at a time when the Food Price Index, prepared by the FAO and released yesterday, shows a "historic high" in January, creating concerns that low-income food deficit countries may face problems in financing food imports, and for poor households which spend a large share of their income on food.

In Bangladesh, price of rice increased in January reaching a new record of Tk 36 per kg, about 33 percent higher than a year ago, said FAO.

Officials said one of the reasons behind the government turning to the global market is not to affect the domestic market of rice, which now sees a record price in the city market, influenced by high prices of grains on the international market.

"We hope the finance ministry will allocate additional amount. But the projected cost (of food import) may be lower as there are signs of fall in prices of rice on the world

## Taher's fate fixed before trial

*Lifschultz in his statement to HC says Zia personally took the decision to hang Taher*

ASHUTOSH SARKAR

US journalist and writer Lawrence Lifschultz in a statement to the High Court yesterday said

Gen Ziaur Rahman made the decision of Col Abu Taher's execution before the formation of the military tribunal that sentenced Taher to death.

Gen Manzur, then high-ranking military officer, knew with absolute certainty that Zia had decided to have Taher hanged before the "so-

called trial" began, Lifschultz said in the statement.

"Subsequently, this fact was also confirmed to me by two high-ranking military officers, who were

close to Zia at that time," he said.

The Pulitzer Prize winner, who had covered the trial of Col Abu Taher in 1976, emailed the statement on February 2 to the attorney general's office that submitted it to the HC yesterday.

Additional Attorney General MK Rahman read out the statement before the bench of justices AHM Shamsuddin Chowdhury Manik and Sheikh Md Zakir Hossain. The bench is hearing a writ petition that

## A wise step back

*Leadership is just as much about moving forward as it is about responding to criticisms*

MAHFUZ ANAM

We congratulate Prime Minister Sheikh Hasina for her wisdom of bowing to public demand in removing the new airport site from Arial Beel area. Given our political culture, leaders often fall prey to their misplaced ego, and consider any criticism of their decision and change of course of any action taken by them to be insulting and a sign of weakness. In fact sycophants are known to feed on such ego-traps and advise their leaders NOT to bow to legitimate criticisms, saying that such a change of course will be interpreted as loss of power leading to all sorts of political repercussions. We had seen that happen too many times in the past and, frankly, we were afraid that the present PM would also fall into such a trap.

Much to her credit and as a refreshing departure from such mindless and self defeating practice, Sheikh Hasina

## Airport on other side of Padma

*PM says govt bows to wishes of Khaleda, a section of people*

STAFF CORRESPONDENT

Prime Minister Sheikh Hasina has said the government is looking for a new site for the proposed Bangabandhu International Airport and possibly it will be on the other side of the Padma.

Addressing a press conference at the Gono Bhaban yesterday, she said the site will be finalised after a feasibility study.

The decision was made to respect the demand of the opposition leader as well as a section of Munshiganj people who feared they would be affected if the airport is built on Arial Beel, Hasina said.

## Munshiganj still tense

*Arial Beel protection committee leader held*

STAFF CORRESPONDENT

Tension was running high among the villagers in Arial Beel area in Munshiganj yesterday despite the prime minister's announcement of not constructing an airport there.

Police tried in vain to enter different villages on Wednesday night as the villagers put barricade on their way, said member secretary of Arial Beel Rakha Committee.
