Specific Procurement Notice

Invitation for Prequalification

Bangladesh
Padma Multipurpose Bridge Project

Memo No. 50.201.480.00.00.000.2010-80 Date: 06 February 2011

This invitation for prequalification follows the general procurement notice for this project that appeared in UN Development Business on-line and in dgMarket on December 09, 2009. The People's Republic of Bangladesh has applied for a credit from the World Bank (WB), Japan International Cooperation Agency (JICA), Islamic Development Bank (IDB), and other partners toward the cost of the Padma Multipurpose Bridge Project, and it intends to apply part of the proceeds of this credit to payments under the contract for the Mawa Approach Road and Selected Bridge End Facilities financed by the World Bank. The Bangladesh Bridge Authority intends to prequalify contractors and/or firms for construction of the Mawa Approach Road and Selected Bridge end Facilities. It is expected that invitations for bid will be made in May 2011. The Padma Multipurpose Bridge Project includes 1.6 km length of 4 lane approach road, 2.8 km length of local/service roads, toll plaza, service area and other facilities on the Mawa side of the proposed Main Bridge. These works are included in this proposed "Mawa Approach Road and Selected Bridge end Facilities" contract. Prequalification will be conducted through prequalification procedures specified in the World Bank's Guidelines: Procurement under IBRD Loans and IDA Credits, May 2004 revised October 2006 and May 2010, and is open to all bidders from eligible source countries, as defined in the guidelines. Interested eligible applicants may obtain further information from and inspect the prequalification document at the Bangladesh Bridge Authority (address below) from 0900 to 1700 hours on Sunday to Thursday. A complete set of the prequalification document in English may be purchased by interested applicants on the submission of a written application to the address below and upon payment of a non-refundable fee of Bangladesh Taka 10,000 or US\$ 150. The method of payment will be by cash or Bank Draft in favor of Executive Engineer, Padma Multipurpose Bridge Project. The document will be sent by courier or collected from the office below. A pre-prequalification conference will be held on 27 February, 2011 at 10.30am at the address below: BBA Conference Room, 2nd Floor, Setu Bhavan, New Airport Road, Banani, Dhaka-1212, Bangladesh. Applications for prequalification should be submitted in sealed envelopes, delivered to the address below by 24 March, 2011 up to 16.00 hrs. and be clearly marked "Application to Prequalify for Padma Multipurpose Bridge Project, Mawa Approach Road and Selected Bridge end Facilities Contract, ICB No. PMB/AR/02".

No. DOE/Research Section/10/10/08/ Date: 06/02/2011

Request for Expression of Interest (EOI)

The Department of Environment is going to execute the following research projects.

- E-waste (Electrical and electronic wastes): Environment Hazards and Treatment Options.
- Research on Health Hazards of Food Contaminants and its Control Measures.
- Impacts of Cyclone Aila and Sidr on Environment and Ecosystem in the Coastal Areas of Bangladesh.

Interested firms/organizations are invited to make separate EOI for individual project and to provide information showing their competency for research work. Scope of works, ToR and other information will be available to Deputy Director (NRM), Department of Environment (Room 427) within normal office hours (09:00am-05:00pm). Closing date for EOI submission is 28.02.2011 until 05:00pm.

Invitation for Expression of Interest (EOI)

Design and Construction Supervision (DCS) Consultancy Services for Khulna Water Supply Project (JICA Component)

- Government of the People's Republic of Bangladesh (GOB) has applied for an ODA Loan from Japan International Cooperation Agency (JICA) towards the cost of Khulna Water Supply Project (JICA Component) and intends to apply a portion of the proceeds to eligible payments for the consultancy services for the design and construction supervision of the Project (JICA Component) to be implemented by KWASA. The terms and conditions of the contract and payments by JICA will be subject to the terms and conditions of the Loan Agreement. Except as JICA may specifically otherwise agree, no party other than GOB shall derive any rights from the loan or have any claim to the proceeds of the loan.
- The Khulna Water Supply Project is expected to be implemented with funding from two agencies, JICA and ADB. There will be separate consulting services for JICA and ADB funded portions of the project. The proposed Design and Construction Supervision (DCS) Consultancy Services will be in charge of engineering design and construction supervision of JICA funded works under Khulna Water Supply Project. JICA funded works will broadly include:
 - Design and construction of a water intake at Mollarhat along Madhumati River in Bagerhat district;
 - Design and construction of raw water transmission of dia. 1350mm and 33km long;
 - Design and construction of impounding reservoir of 340m long, 190m wide and 12m depth, to be located at Samanta Sena, 15km east of Khulna city;
 - Design and construction of Surface Water Treatment Plant of 110,000 m³/day production capacity, to be located at Samanta Sena, 15km east of Khulna city.

The firm(s) will be selected following quality-and-cost based selection (QCBS) procedures in accordance with the **Guidelines for the Employment of Consultants under Japanese ODA Loans, March 2009**.
- In general, the scope of consultancy services will include, but not be limited to the following:
 - To undertake project evaluation and preliminary design works of JICA Feasibility Report (F/S);
 - Detail topographic surveys of all work sites and pipelines routes; sub-soil investigation needed, preparation of the technical specifications for the procurement of goods and works contracts;
 - Detailed engineering design of civil works, hydraulic computation, analysis and design, mechanical and electrical design;
 - Preparation of detail drawings and BOQ; preparation of the tender documents for all bidding packages of the project in compliance with **Guidelines for Procurement under Japanese ODA Loans, March 2009** in assistance with KWASA in all stages of tendering;
 - Extensive supervision and monitoring of project implementation including construction supervision, progress monitoring, bill certification and budget control etc.
- Being the Executive Agency (EA) for the Project, Khulna Water Supply and Sewerage Authority (KWASA) under Local Government Division (LGD) of the Ministry of Local Government, Rural Development and Cooperatives (LGRD&C) now invites Expression of Interest (EOI) from eligible consultants (firms) to indicate their interest in providing the services. The consultants must have
 - satisfactory (at least ten years) overseas experience in detail design and supervision of surface water treatment plant and impounding reservoir & higher diameter water transmission pipeline, social safeguard and project administration of similar works as mentioned in the above Paragraph 2.
 - Experience in developing countries

The expression of interest should include the following information:

 - Background of the firm(s) with brochure etc;
 - Nature of business or operation;
 - General and overall experience of the firm(s);
 - Experience in projects of comparable size, complexity and technical specialty of firms in the required area;
 - Experience in developing countries under comparable conditions;
 - Experience with Japanese ODA projects;
 - Annual turnover of the firms for the last five years along with audit report;
 - Nature, total cost, total inputs in terms of man-month indicating area of expertise, employer, location of the similar works in hand (if any);
 - Summary of permanent professionals with key qualifications in the field of major components of the project as well as scope of the work as mentioned in the paragraph 2 & 3;
 - Cover letter signed by authorized signatory with name(s), address(es), contract details of partners/associates (if any);
 - Agreement of Joint Venture or Association or Partnership with clear identification of share of responsibility and business (if applicable);

While indicating information relating to 4(d), it shall be made clear whether the responsibility of the firm was in the capacity of a principal firm or as associated with a principal firm.

Only the short-listed firms will be invited to submit proposals.
- Consultants may associate to enhance their qualification, but should mention whether the association is in form of a "joint-venture" or "sub-consultancy". All members of an association should have real and well-defined inputs to the assignment. The consulting firm(s), which is (are) "solely" or "jointly and severally" liable for entire performance under the contract, shall not be allowed to participate in more than one proposal in any capacity including sub-consultant or association. A consultant, if acting in the capacity of a sub-consultant or association member (not liable for entire contract) in any proposal, may participate in more than one proposal, but only in that capacity. To avoid confusion and possible elimination, lead firms of associations or joint ventures are strongly advised to confirm relationships with selected associates or partners prior to expression interest.
- Interested firm(s) must submit EOI in sealed envelope containing original (to be identified clearly on top of envelope) and 5 (five) copies addressed to "The Project Director, Khulna Water Supply Project, KWASA, 1062/1Ka, Khan-a-Sabur Road, Khulna, Bangladesh (not later than 3:00pm local time on 07 March 2011). All envelopes must be externally marked "DCS Consultancy Services for Khulna Water Supply Project (JICA Component)".
- Interested consultants may obtain further information and outline Terms of Reference at the address below from 09:00am to 05:00pm local time (except holidays).
