

The Right Winger of Nation's Cricket !

The history of our cricket and the 'Wings of Our Being' is intertwined. Our cricket grew on the wings of our flag carrier, Biman Bangladesh Airlines!

As a pioneer and an active partner of our cricket, Biman Bangladesh Airlines is rightly acclaimed to be the harbinger of this cricket extravaganza!

Apart from owning a team of its own, Biman made it convenient to add international flavour to our cricket, when in 1977, the legendary Merylbone Cricket Club (MCC) made their historic voyage to Bangladesh. The auspicious event dawned on a new era of sports in Bangladesh. And it dawned on our wings too.

Since then our 'cricket' never looked back but kept on rolling. Rolling and flying to mingle with the biggest confluence of today. The team now aspires to touch the sky!

We are with them as we have been with them all along.
