committee of the JCD would be comprised of current students.

Mahidul Islam Hiru, one of the joint conveners of DU unit JCD, told The Daily Star that it is the need of the time that the JCD leadership should be given to the younger ones who are more dynamic.

The organisation's central leaders expressed deep resentment at a meeting on December 11, against its two top leaders, accusing them of failing to run the organisation efficiently.

BNP's student affair secretary Shahid Uddin Chowdhury Anee had also expressed resentment on the top two leaders for poor performance of the JCD in the BNP-called hartals.

JCD factions clashed several times on DU campus and other places during the past two years. On January 17 last year JCD president Sultan Salahuddin Tuku and 24 others were injured in an internal clash with leaders deprived of posts and followers of the central committee leaders.

Clashes might erupt again when the time for announcement of the new committee will get closer, according to a top JCD leader.

Essay contest
