Scholarships and Financial Aids Since its inception, East West University has been awarding merit scholarships and needbased financial assistance to deserving students. Each year the university distributes at least 9% of its total earnings among 20% or more of its regular students. Such scholarships/financial assistance are not available to those students who have already spent the normal study time required for the programs for which they are enrolled. No student of the university is entitled to benefit from more than one scholarship/financial aid facility at any point of time.

According to the provision of the

Private University Act. 2010. private universities are required to provide scholarships to 6 (six) percent of its enrolled poor but meritorious students (Among which 3 (three) percent is to reserve for the wards of the Freedom Fighters). Since its inception, the founders of East West University have adopted a policy of not paying any profit or dividend to themselves but have been using a good part of its operating surplus towards nurturing merit and providing financial support to students in need. Benefits to students are awarded in the following forms:

1. Merit Scholarships

EWU has generous merit scholarships/financial programs. The sum of Taka 2,89,55,780 (two crore eighty-nine lakh fifty-five thousand seven hundred and eighty) only was awarded to 923 students in 2010. Full-year tuition waiver merit scholarships are awarded to:

Top scorers in the undergraduate admission test with a minimum score of 75% marks: three (3) from the Faculty of Business and Economics, and one (1) each from the Faculty of Sciences & Engineering and the Faculty of Liberal Arts and Social Sciences; top scorers in the graduate admission test with a minimum score of 75% marks: one MBA in Telecommunication Engineering, provided that at least 20 students get admitted to the program.

(ii) Candidates securing GPA 5.00 (excluding 4th subject) in both SSC and HSC (in the most recent relevant examination year) will be awarded 100% Merit Scholarship at entry level for 4 years, subject to maintenance of GPA of 3.50 in each semester;

(iii) Students securing GPA 5.00 in the most recent HSC Examination (this will be applicable only for six students from six divisions who are from poor financial background); The continuation of this scholarship is contingent upon maintaining a minimum CGPA of 3.00 and abiding by the rules and regulations and University's Code of Conduct for students at all time.

(iv) Candidates securing 7 (seven) A's in 'O' Level Examination (at one sitting) and 3 (three) A's in 'A' Level Examination (in one year) will be awarded 100% Merit Scholarship at entry level for 4 years subject to maintenance of GPA 3.50 in each semester;

(v) A committee will assess and recommend scholarship/financial aid etc. for foreign students and students from other systems.

(vi) Top 10% students (10% of the actual number of students of each batch of each department enrolled during the immediate past year (two semesters for one year Graduate programs) of each batch of each department of Undergraduate programs who have completed at least onefourth of the total credit requirement (for Graduate programs requirement of credit and time duration varies from program to program) of the program during the immediate past year, with a CGPA of 3.97 and above will get full-tuition free Merit Scholarships for equal number of credits to be adjusted in the next three consecutive semesters and those with CGPA of 3.90 to CGPA 3.96 will get halftuition free Merit Scholarships for equal number of credits to be adjusted in the next three consecutive semesters.

1 Sujat Ali Mazumder Scholarship

On the basis of the above principle students of graduate programs also get Merit Scholarship but requirements of credit for the scholarship vary depending on the total credits of the program and the length of program as well.

2. Directors' Scholarships

Each of the fifteen Founder Directors of the university, at a point of time, awards two fulltuition scholarships to two students or splits the scholarships into half or quarter tuition waiver/scholarships.

3. Financial Aid (a) General

At the beginning of each semester, the university considers applications on prescribed forms for the granting of financial aid to deserving students on a needcum-merit basis. The actual amount depends on the number of applicants and the availability of funds. This is by far the largest component of the funding support both in terms of the amount of money as well as the number of recipients.

(b) Family Concession When two siblings (brother/sister with the same parents) study simultaneously at East West University, the second sibling is entitled to a half-tuition waiver. However, both must be admitted full-time into regular programs. The benefit commences on the date of admission of the second sibling and ceases on the discontinuation of the study of any one of them, after his/her graduation or for any other reason. This benefit may extend up to the third sibling under the above-mentioned conditions. A merit scholarship awardee cannot qualify to get the benefit for siblings or other similar benefits.

(c) Freedom Fighters' Scholarship As a mark of respect to the valiant freedom fighters of the War of Liberation and Independence, the university reserves 5% admission quota for the wards of freedom fighters of all categories, subject to their fulfillments of the minimum admission requirement at East West University. The university also considers maximum 100% tuition waiver scholarship to the wards of deceased wounded, financially needy freedom fighters, subject to the fulfillment of some specified requirements.

4. The Medha Lalon Fund In order to be able to extend

further support towards nurturing merit, particularly to students from middle-class background, to female students, and to students from outside the metropolis, the Board of Directors of East West University set up in 2002 a scheme called the East West University Medha Lalon Fund with an initial endowment of Taka one and a half crore. The Board has also sanctioned an amount of Taka one crore thirty lakhs from the operating surplus of the university for the Fund. This is in addition to the disbursement each year on regular components such as the merit scholarships and financial aid. Several philanthropic persons/organizations have contributed a combined amount of Taka twenty-seven and a half lakh to the Medha Lalon Fund. This need-cum-merit based financial aid is awarded from the annual earnings of the East West University Medha Lalon Fund deposited in a lucrative five-year interest earning Scholarship Deposit Account of Mercantile Bank.
