Request for Expressions of Interest (REOI) For Parking Strategy Study (Contract Package No. DCC S 2)

Memo: 46.207.025.09.10.033.2011/180 Date: 14 March, 2011

The People's Republic of Bangladesh has received a credit (No. 4581BD) from the International Development Association (IDA) towards the cost of Clean Air and Sustainable Environment (CASE) Project to be implemented by Dhaka City Corporation (DCC). It intends to apply a part of the proceeds to payments for consulting services to be procured under the project.

The services include:
Objectives of the Service:
The objectives of this assignment are: (i) to develop a detail parking plan for both on-street and off-street for Dhaka City Corporation Areas; (ii) operation and maintenance of public parking spaces; (iii) improve parking regulations in both residential and non-residential areas in Dhaka City Corporation; (iv) develop parking fees in view of work hours, off-work hours, on-street, off-street and restrictive and non-restrictive; and (v) enforcement of parking strategy with Dhaka Metropolitan Police (DMP) and Bangladesh Road Transport Authority (BRTA).

Scope of the assignment:
The consultant will undertake the proposed parking strategy study which likely to include but not limited to:

- A review of existing on-street and off-street parking supply and demand, pricing of parking, suitability of streets for parking, enforcement of parking laws and regulations, collection of parking fees and fines, and suggest improvements which can be implemented quickly;
- A review of off-street parking supply and potential for immediate consideration with and without private sector participation;
- A review of restrictive and non-restrictive parking in DCC area;
- A review of parking requirements and rules in both residential and non-residential areas and effective enforcement systems;
- Recommendation on operation and maintenance of public parking spaces;
- Recommendations on policies and programs to maintain appropriate parking supply and appropriate pricing policies;
- Recommendations on parking regulations and enforcement;
- The firm will organize workshops with the stakeholders to finalise the strategy;
- Keep close liaison with the DCC (approving agency) and the DMP.

It is expected that services may commenced in August, 2011 at Dhaka, Bangladesh and will be completed on December 2011 or agreed between the parties as per contract.

The Project Director of CASE Project DCC Component now invites eligible consulting firms to express their interest in providing the services. EOIs should include brochures, description of similar assignments, experience in similar conditions, summaries of firm's capability, availability of appropriate skills among key staff with short biographies (one page), availability of resources, and snapshots of relevant transactional experience. The EOIs would be reviewed on the basis of the following:

- Registration of firm
- Age of firm
- Availability of key professionals
- Availability of resources
- Experience of the firm in similar task in similar condition
- Experience of the firm in other works
- Support services of the firm

Consultants may associate to enhance their qualifications, but should mention whether the association is in the form of a 'joint venture' or 'sub consultancy'. In the case of an association, all members of such 'Association' should have real and well defined inputs to the assignment and it is preferable to limit the total number of firms including their associates to maximum of three.

The consulting firm will be selected in accordance with the procedures set out in Public Procurements Rules-2008.

Interested consultants shall obtain further information/Terms of Reference (TOR) at the address below from 9.00am to 5.00pm, on all working days. Expressions of Interest (EOI) must be delivered to the address below by 27 April, 2011.

The procuring entity reserves the right to accept or reject all EOIs.
