College student Limon Hossain, left maimed in a Rab firing on March 23, needs long-term treatment and care in a specialised hospital, Dr Abdur Rashid, director of Barisal Sher-e-Bangla Medical College Hospital, said yesterday.

Rashid, heading a three-member medical board for Limon, visited the sixteen-year-old boy at the prison ward several times in the last two days. The hospital authority formed the board on Friday.

Meantime, Barisal and Jhalakathi jail authorities said Limon may have to spend a day or two more at the hospital's prison ward as they are yet to receive copies of the Thursday's High Court order granting six-month's ad interim bail to Limon.

The hospital director told The Daily Star that Limon's SEE PAGE 19 COL 4

# Ministry oblivious, okays import of chicks, eggs

MAHBUBA ZANNAT

Ignoring the risk of an avian flu outbreak and an alert of World Organisation for Animal Health (WOAH), the commerce ministry has granted permissions to import hatching eggs and chicks from India.

The ministry did so keeping the live-

stock department--the approval body--in the dark, complained leaders of Breeders' Association of Bangladesh.

After the Indian government confirmed an outbreak of bird flu on February 17, health workers have culled around 4,000 ducks and chickens at a state-run

### Cops record case; Grameen Bank concerned

STAFF CORRESPONDENT

Police yesterday recorded a case in connection with abduction of a Grameen Bank official from the capital's Mirpur Friday evening and his release after four hours of torture allegedly by intelligence personnel.

Victim Sagirur Rashid Chowdhury, an accounts officer of the bank, alleged, "Some personnel of the intelligence aided by some sacked officials of Grameen Bank abducted him to serve the government's purpose."

According to Sagir, "The abductors pressed me to give statement against Prof Yunus and asked me to disclose what kind of agitation the Grameen Bank employees were planning."

The abduction took place a day after Grameen Bank Employees' Association at a press conference warned the government of a tough movement protesting the removal of Nobel Laureate Prof Muhammad Yunus from the post of managing director of the bank.

Kazi Wazed, officer-in-charge (OC) of Mirpur Police Station, said they could not comment on the case as it involved the government and the intelligence.
