

Make EC independent

Demand professionals

STAFF CORRESPONDENT

Peshajibi Samannay Parishad (PSP) in a statement yesterday demanded the election commission be made a separate, strong, and fully independent institution for holding elections in a free, fair, and credible manner.

PSP leaders said it has already been proved in different countries that a separate and independent election commission can hold elections credible nationally and internationally.

The PSP, a body of professionals, issued the statement following the recent Supreme Court verdict that declared the caretaker government system illegal.

Expressing satisfaction over the SC verdict, the parishad said the caretaker government system is apparently an expression of lack of confidence on the political leaders.

PSP Coordinator Iqbal Sobhan Chowdhury, Member Secretary Dr Kamrul Hasan Khan, and its leaders Prof Kazi Faruk Ahmed and Prof Mahmud Hasan were signatories of the statement.

Laptop at cheaper rate soon: Mahmud

BSS, Chittagong

Laptop computers are going to be much cheaper in a month or two as a state-owned company is set to produce the gadget at affordable prices.

State Minister for Environment and Forest Dr Hasan Mahmud yesterday told a workshop on Digital Bangladesh in the port city that the laptop's production would begin next month.

Addressing the workshop at Chittagong Circuit House conference room, Dr Mahmud said the locally made laptop would be available at around Tk 10,000.

Supported by United Nations' Development Programme, Bangladesh Sangbad Sangstha (BSS) and Access to Information (A2I) Programme of the Prime Minister's Office jointly organised the workshop.

Correspondents of national dailies, news agencies and electronic media in Chittagong division were made aware about the activities of Digital Bangladesh at the workshop.
