

# Asian markets mostly down

AFP, Hong Kong  
Asian stocks were mostly down on Wednesday as worries over the state of the global economy hit confidence, but a late rally saw the Nikkei finish the day just in positive territory.

Tokyo edged up 0.07 percent, or 6.51 points, to 9,449.46 while Sydney lost 0.65 percent, or 29.5 points, to 4,536.8, a two-and-a-half-month low.

Seoul was 0.78 percent, or 16.36 points, lower at 2,083.35.

Hong Kong slipped 0.91 percent, or 207.04 points, to 22,661.63 but Shanghai rose 0.22 percent, or 5.99 points, to close at 2,750.29.

In Tokyo worries over the lack of positive direction in the economy both locally and globally weighed on sentiment for most of the session but a late round of bargain hunting pushed the index into positive territory.

The yen hit a one-month high against the US dollar in early Tokyo trade at 79.84 yen, before dropping back to 80.06 yen as the equities market shifted upwards. The dollar ended trade in New York in Tuesday at 80.05.

Meanwhile, the euro sagged to \$1.4677 from \$1.4688 and to 117.53 yen from 117.60 yen.

Although the dollar rose against the yen in the afternoon the Japanese unit's relative strength continues to hurt Japan's exporters, a key sector of

an economy struggling under the weight of the March 11 earthquake and tsunami.

Shares in embattled utility TEPCO hit a new all-time closing low amid continued uncertainty over a government scheme to ensure it can meet compensation bills over the crisis at its nuclear plant.

Tokyo Electric Power Co. (TEPCO) closed down 7.40 percent at 200 after hitting a new intraday low of 194 yen.

The shares have lost more than 90 percent of their value since the day before the earthquake and tsunami, which crippled cooling systems at the Fukushima Daiichi nuclear plant, triggering reactor meltdowns.

New York's main contract, light sweet crude for July delivery, dipped 54 cents to \$98.55 a barrel and Brent North Sea crude for July lost 70 cents to \$116.08 in the afternoon.

Gold finished at \$1,537.00-\$1,538.00 an ounce in Hong Kong, down from Tuesday's close of \$1,545.50-\$1,546.50.

In other markets: Mumbai's Sensex index fell 0.55 percent or 101.33 points to 18,394.29, ending two straight days of gains.

Bangkok slid 1.95 percent or 20.17 points to 1,014.58. Singapore's Straits Times Index closed up 12.97 points, or 0.42 percent, at 3,102.98.

**Moyjuddin Ahmed, member for investment promotion of Bangladesh Export Processing Zones Authority (Bepza), and Kenichi Ebisawa, managing director of Topcon HK (BD) Ltd, sign a deal at Bepza Complex in Dhaka yesterday under which the Japanese company will set up a camera, camera accessories, lens and electronic products manufacturing factory in Chittagong EPZ.**

**Nasir Uddin Chowdhury, first vice president for Chittagong of Bangladesh Garment Manufacturers and Exporters Association, inaugurates a textile testing laboratory of Intertek in the port city yesterday.**

### Shipping
