

# WE CONGRATULATE

## IEL Consortium & Associates Ltd. of Orion Group for successful completion of 100 MW Thermal Power Plant at Meghnaghat, Bangladesh.

We, LTL Global of Sri Lanka, EPC Contractor of the Project are proud to be a partner of this successful achievement.

We warmly embrace Bangladesh's rise in all respects and extend our continuous support in power sector development activities.

The flourishing of our combined efforts were symbolized by making the 100MW power plant a true achievement.

LTL Group as a leading engineering organization has developed many major power projects including IPP power generation stations which supply more than 22% of the power demand of Sri Lanka.

LTL has won many prestigious awards for their excellence in the power plant development activities.
