## CG: Govt move to lead country towards uncertainty, says BNP

STAFF CORRESPONDENT

The main opposition BNP yesterday said the government move to scrap caretaker government system in the name of amending constitution may lead the country towards uncertainty.

The party leaders also asked the government to refrain from doing it.

Addressing a rally in front of party's central office in Nayapaltan protesting repression on the opposition men, the BNP leaders said scrapping caretaker system was not among the electoral pledges of the government but they want to do it showing a court verdict.

The court, however, itself did not disclose the full text of the verdict to this day, they observed.

"No election will be held in the country under the Awami League (AL) government. Bangladesh will be thrown into deep uncertainty if the government continues its effort to scarp the caretaker system," said Khandaker Mosharraf Hossain, member of BNP standing

committee.

"Chaos and anarchy will grip the country which pro-democracy people do not expect," he said.

Bangladesh has turned into a land of torture in the last two and a half years. It is now one of the seven countries which are being highly criticised for torture and repression, Mosharraf claimed.

Party's acting Secretary General Mirza Fakhru Islam Alamgir said the government is trying to amend the constitution only to establish one-party rule in the country.

But people will resist this ill-effort by forging a movement, he observed.

"Accept the people's demand by keeping the caretaker government provision as it is in the constitution," he urged the government.

Party leaders Amanullah Aman, Rafiqul Islam Mia, Abdullah Al Noman, Fazlur Rahman also spoke at the rally organised by party's Dhaka city unit with its unit convener Mayor Sadeque Hossain Khoka in the chair.

Even hartal is being enforced for personal interest, he said while presiding over a presidium meeting of the party at its Kuril office in the city.

Badruddoza said politics of vindictiveness is growing while politicians are making statements in non-political language.

Worried citizens must be informed about the country's situation and explained that political confrontation can not be avoided without election under a caretaker government, he said.

## Tk 1,332.36cr for public universities

STAFF CORRESPONDENT

University Grants Commission (UGC) yesterday approved a budget of Tk 1,332.36 crore for 2011-2012 fiscal year for itself and the country's public universities.

Of the total, Tk 1,315.26 crore would be spent for the 35 public universities while the rest for UGC, says a press release.

The budget was approved at its 124th meeting with the full commission at UGC Bhaban with its Chairman Prof Dr AK Azad Chowdhury in the chair.

The meeting also approved the revised budget of Tk 1,270.78 crore for the

universities and Tk 12.38 crore for UGC for 2010-2011 fiscal year.

Planning Commission Member Sahab Ullah; Bangabandhu Sheikh Mujib Medical University Vice Chancellor (VC) Prof Pran Gopal Dutta; National University VC Dr Qazi Shahidullah; Additional Secretary Finance Ministry Imdadul Haque; and UGC members were present.

Speaking on the occasion, Prof Azad said UGC would closely monitor all public and private universities but it would not be an alternative of proposed Accreditation Council.

He said UGC role would be strengthened to ensure quality education and

make higher education timely and up to the international standard.

The meeting observed that public universities can take initiatives to logically and legally increase tuition and other fees of students to ensure quality education.

Some speakers opined that although quality of education in some private universities is encouraging, the admission and other fees are not in harmony with the country's middle and lower-middle class families.

The meeting suggested that private universities can fix their fees considering the socio-economic perspective of the country.
