3. RFP Document Price : Tk.2,000/-  
4. RFP Document Selling : Starting Date:03-07-2011, Closing Date:19-07-2011  
5. Name and Address of the Offices : CHRL Office, Admin Building( 3rd floor), 43 Mohakhali C/A, Dhaka  
6. Pre-Bid Meeting Place, Date and Time : 26-07-2011, Conference Room( 9th Floor), Foundation Building, 11:00 AM  
7. Tender Submission Date & Time :16-08-2011, CHRL Office, Admin Building, 3rd Floor, (9:00 AM to 2:00 PM)  
8. **Basic Description of the Assignment:**  
The objective of this project is to design an integrated and comprehensive Enterprise Resource Planning (ERP) along with E-Governance for East West University. The proposed web based application will have the following modules (not exhaustive):  
\* University Management \* Academics Management  
\* Accounts Management \* Human Resource & Logistics Management  
\* Inventory Management \* Fixed Asset Management  
\* ICS Management \* Integration with Library System  
\* Office Management \* Settings & Security Management  
\* Management Information System (MIS)  
Desired characteristics of the web based ERP and E-Governance software are as follows (not exhaustive):  
• The proposed application must be a web based application, will run both in LAN and WAN Environment;  
• The software must have multi tier secure architecture;  
• Proper security system must be designed and developed, so that a authorized user can access the database and retrieve the data/information;  
• The software must provide multi level of approval authority for a process, which will be dynamic;  
• The proposed software should be able to integrate with existing software of East West University and will have capability to integrate with third party software.  
• The software should be parameterized and dynamic enough to adapt with rules and policy changes.  
• The proposed system will have email facilities.  
• Each form of the system will include a section where user will keep note and make attachment of any type of file.  
• The system should provide number of reports defined by the university. It should have option to generate reports by using different criteria as well as customized reports defined by the users. Reports should contain option to export in Different formats Like MS Excel, PDF, MS Word etc.;  
• The system should support external hardware's such as OCR, Printers, Barcode Readers, different types of Attendance Machines and so on;  
• The application must have an option to send specific data through SMS to hundreds and thousands of students;  
9. **Experience Resources and Delivery Capacity Required:**  
• The firm must have 5 years experience with at least 3 years experience in Web based software development  
• Firm should have to submit referral documents showing experience in education sector  
• The firm must have to submit 3 years of audit report  
• The firm must have to submit authenticated copy of Bank Solvency Certificate  
• The firm must have to submit authenticated copy of valid Trade License, Tax and VAT Registration Certificate  
• The company must submit printed brochure or Company Profile with curriculum vitae of project key professionals  
10. East West University reserves the right to accept or reject any or all proposal without showing any reason.  
M. Mobarak Ali  
Chief of HR & Logistics
