Message

I am delighted to learn that the 2nd Convocation of Uttara University is going to be held on 04 July 2011 at Bangabandhu International Conference Centre in Dhaka. On this occasion, I heartily congratulate the graduating students, their parents and the university authority on their yardstick of success.

Convocation is not only a traditional occasion which confers degrees upon the graduating students but also a glaring event that evaluates the overall accomplishment of the university. Convocation, therefore, bears immense significance and dignity both for the students as well as the university. The Government of Bangladesh is committed to ensuring the quality of education from primary to tertiary level with a view to making a knowledge-based society. In line with the planning, our government has formulated National Education Policy 2010 and enacted Private University Act, 2010. I believe universities, both private and public, would play their due role in materialising the hopes and aspirations of the people. I, once again, thank the graduating students who are coming out from this alma mater and hope that they will contribute towards building a happy and prosperous Bangladesh.

I wish the 2nd Convocation of Uttara University a success.
