ANNUAL SCHOLARSHIP

Scholarship Awarding Ceremony, June 2011
Mirpur Indoor Stadium, Dhaka

Mr. Abul Maal Abdul Muhith, Honorable Minister of Finance is seen conversing with the Dutch-Bangla Bank scholarship recipients. Students were chosen based on their need for financial aid and the lack of access to educational opportunities based on economic, financial and social factors.

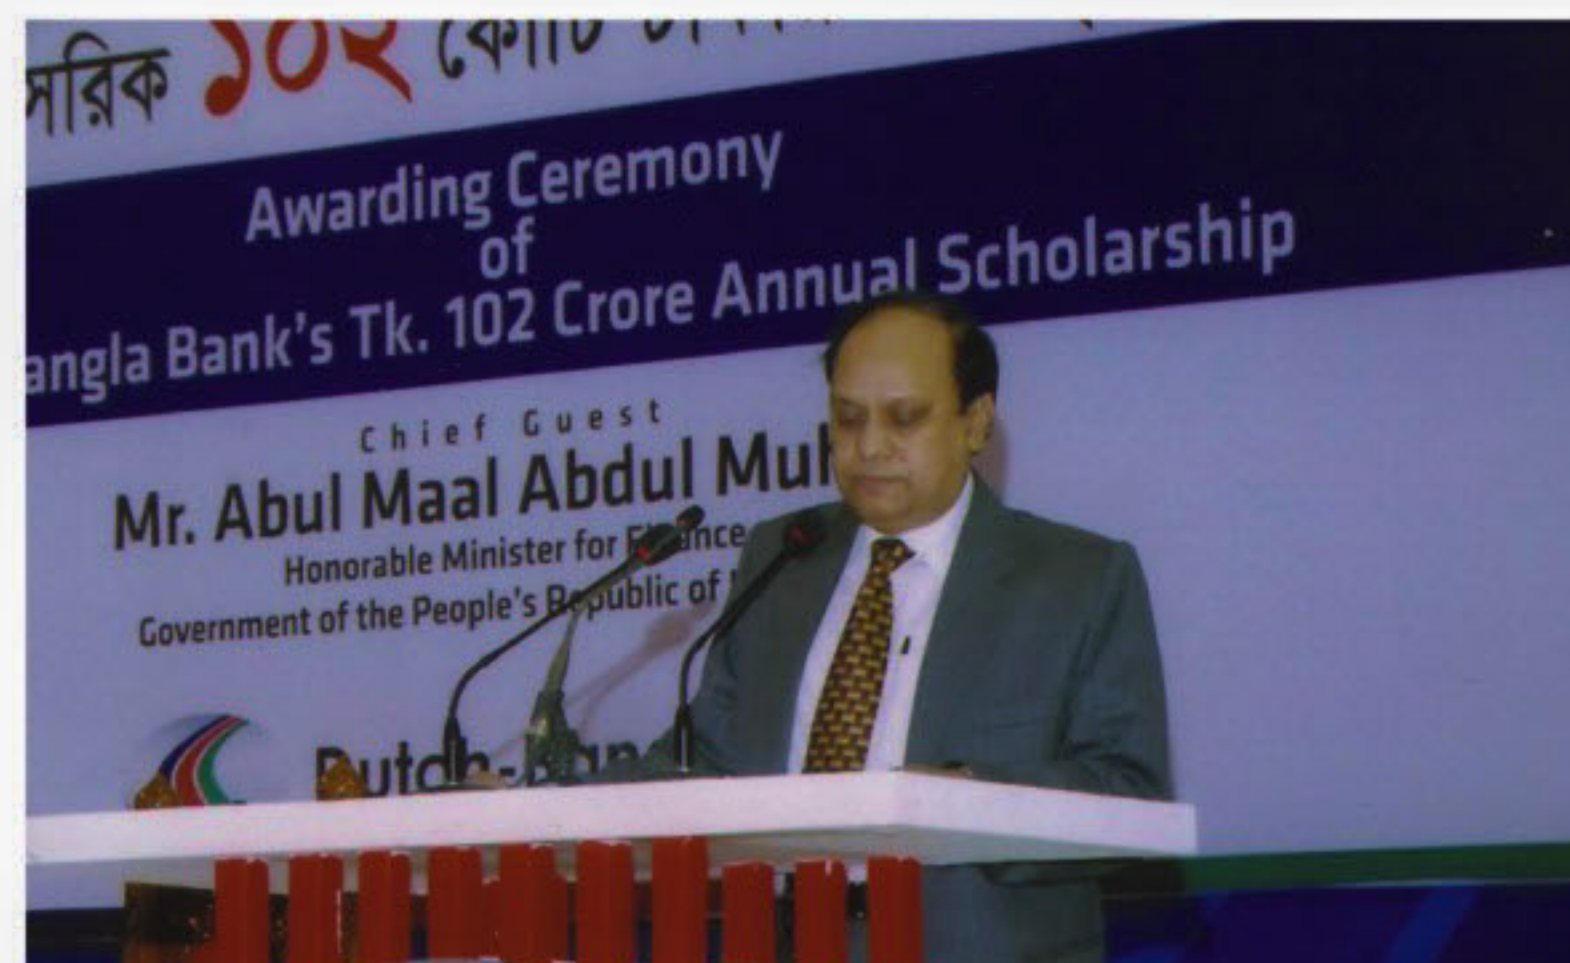

"Today's program is such a program where we are inspired and it seems that our country is going ahead. The contribution of society is more to the individual than he / she is to themselves. The Fascination for education is a rare and good deed. An individual can prove themselves as the best creature when their hidden merit is exhibited. Therefore, I extend my thank to Dutch-Bangla Bank Foundation and hope for the their success in the future."
Mr. Abul Maal Abdul Muhith, Honorable Minister of Finance

"We have committed Tk 102 crore annually to this scholarship. The sponsor directors of Dutch-Bangla Bank did not even take any dividends this year to achieve miracles such as this. The focus is new, but the endeavour is not. Since inception we have generously donated heavily towards numerous sectors, such as healthcare and disaster relief amongst others. Even though we are not Bangladesh's largest bank or company, but we are its biggest private donor."
Mr. Sayem Ahmed, Chairman, Executive Committee, Dutch-Bangla Bank

Today, we find the newness of life. Dutch-Bangla bank is a torch throwing light on our hopes and aspirations as well as a vessel to show the right path floating over a boundless sea."
