

# It survey of Padua-Protappur borders finally complete

STAFF CORRESPONDENT, Sylhet

Indo-Bangla joint survey of the much-talked Padua-Protappur borders was finally completed yesterday.

ADC Revenue, Sylhet Ahmed Shamim AlRazi, who is coordinating the survey, told this correspondent yesterday evening that the job ended yesterday after three days of hectic work.

However, he could not say how many acres of Bangladesh were found as 'adversely possessed land' (APL) on that border.

"It would take 2-3 days to determine that as the survey officials would sit and finalise their measure-

ments to ascertain the area," he said.

The official further informed that the joint survey on the Noagaon border in Beanibazar upazila would also be completed in a couple of days while the survey on the Pallathal border in Barlekha upazila under Moulvibazar district ended Monday.

Around 140 acres of Bangladesh land had been under the Indians' occupation on Noagaon frontier while 360 acres on Pallathol border.

Another 120 acres of Bangladesh land are possessed by Indians for decades on Lobbhachhara border in Kanaighat upazila of Sylhet, he added.

The joint survey of the adversely

possessed lands (APL) on Padua-Protappur borders stumbled several times since the work began in December last year.

More than 200 acres of Bangladesh land on the border had been under Indians' possession for long.

The border guards of both the countries traded gunfire several times over the issue.

In 2001, the then BDR took control of a part of the area, but they had to retreat after some days.

The recent stalemate prevailed for weeks as Bangladesh officials could not agree with the Indians over survey points on the APL.

Sources said the Indians wanted

to start survey from several points without any supporting documents and ignoring the existing border pillars, set in 1947.

The regional survey team informed the higher authorities of the matter and sought their guidelines. The survey team was changed thrice since the job began on December 7 last year.

Earlier, in the wake of repeated incidents of intrusion for paddy crops and fishing as well as killing of Bangladesh nationals by the BSF and by the Indian Khasia tribesmen, the authorities decided for joint survey on the Jaintapur, Gowainghat and Kanaighat borders.

## 43 BDR men relieved of sedition charges

STAFF CORRESPONDENT, Khulna

Sedition cases against 43 jawans of BGB (Border Guard Bangladesh) Jessore sector have been withdrawn as per directive of the home ministry.

Jessore District and Sessions Judge Azizul Islam relieved the jawans of sedition charges following an appeal made by the public prosecutor (PP) on July 20, court sources said.

On May 13 in 2009, the then officer-in-charge of Jessore Kotwali Police Station Abdul Kader Baig filed sedition cases against 43 jawans, including deputy assistant director (DAD) Md Modasser Uddin, of 22 Jhumjhumpur Battalion under BGB Jessore sector with the Chief Judicial Magistrate's Court for their involvement in a mutiny at the battalion on February 26 in 2009.

On the following day, police and Rab members arrested the accused and produced them in the court. The court sent the accused to Jessore Central Jail, rejecting their bail petition. The case was later sent to the District and Sessions Judge's Court for trial.

With rise in water level in the Teesta River, around 300 feet stretch of Gangachhara embankment at Dhamur point in Rangpur has been eroded in the last four days.

## Teesta devours 300 ft of Gangachhara dyke

A CORRESPONDENT, Rangpur

Erosion by the river Teesta took a serious turn at Dhamur point, devouring around 300 feet of Gangachhara embank-

ment in the last four days.

Part of the embankment went into the river during last year's flood, but locals saved it from further collapse by putting sand bags in the breached portion.

Water Development Board (WDB) said rise in water level in the Teesta caused damage to the embankment. "We are dumping sand bags in the damaged portion to protect the embankment from further erosion," sub-assistant engineer Mahub Ali said.

Locals alleged that the dyke collapsed as the contractor engaged by Water Development Board (WDB) last year did not repair the breached portion before rainy season. The contractor was waiting for further damage to the embankment so that he could demand more allocation of fund against the work, they said.

Refuting the allega-

tion, contractor Shahadat Hossain said he could not star repair work on the embankment as fund was not available. Shahadat alleged that he did some repair works on the dyke last year, but bill payment has not been made yet. WDB Executive Engineer Anwar Hossain said work order was given to the contractor last year on condition that he would finish the repair work worth Tk 2 crore by March this year.

The contractor did not do the job for not getting the fund for repair of the damaged embankment, the engineer added.

People of Dhamu village also held the officials of Rangpur Water Development Board responsible for collapse of the embankment. They are not at all serious about protection of the embankment from river erosion, the villagers added.

## HOUSEWIFE NADIRA MURDER Police arrest main accused Sumon

OUR CORRESPONDENT, Natore

Police yesterday arrested Sumon, the main accused in housewife Nadira killing case, from Nazarpur village in Sadar upazila.

Nadira Begum, 21, wife of Ismail Hossain of the village was burned to death allegedly by her in-laws on Friday last.

Sumon confessed to police that he and his mother were involved in the killing.

He also told newsmen that they had a long-standing feud with Ismail's wife.

Sumon said, he and his mother planned to kill Nadira as she often locked in quarrel with his mother. On Friday night, they entered the room and tied up Nadira with her scarf and ropes and gagged her. Then Sumon doused kerosene on

Nadira's body and set her on fire.

He said, at around 9:30pm, cutting the straw made fence, he entered the room of Nadira in absence of Ismail.

Before her death at hospital, Nadira said that Sumon set her on fire.

The only witness to the incident, Nadim Hossain, four-year-old son of Nadira said his uncle Sumon entered the room and set his mother on fire after tying her with rope on the floor of the room.

Victim's father Jasim Uddin lodged a case with Natore police station on Saturday noon accusing Sumon and his mother.

Nasirul Islam, superintendent of police in Natore said, police yesterday placed Sumon before a Natore court and the court sent him to jail.

## MURDER VICTIM'S FAMILY ALLEGES FOUL PLAY

# Names of accused dropped while recording case

OUR CORRESPONDENT, Dinajpur

Trickery of policemen stands in the way of justice in a case for burning to death a woman in Chirirbandar upazila under Dinajpur, alleged the victim's father and son at a press conference in the district town yesterday.

Murshida Parvin Lily, wife of Mohsin Ali, now working in Saudi Arabia, of Amtoli Chowkmusa village of Chirirbandar upazila, set afire allegedly by Lily's in-laws on February 28, succumbed to her injuries at Dhaka Medical College Hospital six days later.

Lily's 12-year-old son Miskat Ali, accompanied by his grandfather Md Mofarrad Hossain (Lily's father), read out a written statement at the press conference, demanding arrest and punishment of his mother's killers.

On March 8 this year, Lily's father Md Mofarrad Hossain, 60, lodged a complaint with Chirirbandar police

station, stating that on February 28 his daughter's in-laws set fire to her after pouring kerosene on

Murshida Parvin Lily

her body as she declined to give them money as per their demand.

Receiving copy of the complaint, the policemen asked him to come the next day, goes the statement at the press conference.

Next day, Mofarrad, an illiterate person, appeared at the police station where the policemen forwarded him a copy and asked him to sign on it. Then the policemen registered a case which was later found to have dropped

the names of the accused, it adds.

"Due to the trickery of the policemen, none of the accused has been arrested so far," said Mofarrad Hossain.

As The Daily Star correspondent obtained copies of the complaint submitted by Mofarrad and the case statement drafted by Chirirbandar police, it was seen that the names of the accused mentioned in Mofarrad's complaint were missing in the case recorded by police.

When contacted, Md Rezaul Karim, officer in charge of Chirirbandar police station, refuted the allegation and said the investigation of the case is going on.

Contacted, the superintendent of police said he will look into the allegation.

"A high level inquiry should be conducted on the incident to uphold the image of police department," said a police officer of Dinajpur seeking anonymity.
