**INVITATION FOR BIDS FOR
DESIGN, SUPPLY, ERECTION, TESTING AND COMMISSIONING OF
230/132 KV AIR INSULATED SWITCHGEAR (AIS) SUBSTATION AT
BARISAL ON TURNKEY BASIS BY PGCB'S OWN FINANCING**

Contract No.: **PGCB/SC/SS/2011/02**
Contract Title: **DESIGN, SUPPLY, ERECTION, TESTING AND COMMISSIONING OF 230/132 KV AIR INSULATED SWITCHGEAR (AIS) SUBSTATION AT BARISAL ON TURNKEY BASIS.**

Dead Line for Bids: 11.00 am BST on September 6, 2011
1. The Power Grid Company of Bangladesh Ltd. ("the Employer") intends to construct a 230kV double circuit transmission line from Bhola to Barisal and a 230/132kV sub-station at Barisal to evacuate the power generated by the 2X225MW Bhola Power Plant. To evacuate the power in time, the transmission line and associated substation is required to be completed within 20 (Twenty) months from the date of signing of the contract. Considering the time schedule, PGCB has decided to finance the project from its own resources and invite this bid by Single-Stage: Two-Envelope bidding procedure and is open to all bidders from eligible source countries.
2. The Power Grid Company of Bangladesh Ltd. ("the Employer") invites sealed bid proposals for Design, Supply, Erection, Testing and Commissioning of 230/132 kV Air Insulated Switchgear (AIS) Substations at Barisal on Turnkey Basis as defined in the bidding document (hereinafter referred to as "the Works"). The Works include:

- i) The scope of work under this turnkey Bid is design, supply, delivery, installation, testing & commissioning of a complete new 230/132kV Air Insulated Switchgear (AIS) substation at Barisal to connect three(3) new 230kV overhead line bays (Bhola-1 & 2 and one spare); three (3) new transformer bays (230kV side) to connect three(3) nos. of 3-phase, 230/138/34.5kV, 225/300 MVA outdoor type auto-transformer; space for future extension of four 230kV line bays to connect four new 230kV transmission lines; four (4) 132kV line bays to connect four 132kV lines (Turn In-Turn Out of Barisal-Madaripur-1 & 2); three (3) new transformer bays (132kV Side) to connect three(3) nos. of 3-phase, 230/138/34.5kV, 225/300 MVA auto-transformer; one 132kV buscoupler bay; space for future extension of four (4) 132kV line bays to connect four 132kV transmission lines.
ii) The scope of work includes design, supply, delivery, installation and testing & commissioning of three (3) nos. of 3-phase, 230/138/34.5kV, 225/300 MVA outdoor type auto-transformer; space for future extension of one (1) no. 3-phase, 230/138/34.5kV, 225/300 MVA outdoor type auto-transformer; and two 34.5/0.4 kV outdoor type earthing/auxiliary transformers with neutral earthing resistors connected to two 230/138/34.5kV transformer tertiary side.
ii) The scope of work also includes associated control, protection, fiber optic multiplexer equipment for communication & protection, substation automation system and associated civil works. The configuration of the 230 kV busbar shall be 1½ breaker scheme and 132 kV busbar shall be double busbar scheme.
3. International Competitive Bidding will be conducted in Single-Stage: Two-Envelope bidding procedure and is open to all bidders from eligible source countries.
4. Bidders shall meet, the following minimum requirements along with other requirements as mentioned in the bidding documents:

- (a) In-case of Single Entity, the Bidder must have experience for successful completion of at least three (3) substation contracts as Contractor for Design, supply, delivery, installation, testing & commissioning of extension/new substations of minimum two bays of 132 kV or higher voltage substation with Power Transformer in each substation contract on turnkey basis within the last fifteen (15) years as on the date of opening of technical proposals of which at least one installation shall be in successful operation for minimum of three (3) years.
Bidders (partner in charge in case of Joint Venture) must have experience for successful completion of at least two (2) substation contracts as Contractor for Design, supply, delivery, installation, testing & commissioning of extension/new substations of minimum two bays of 132 kV or higher voltage substation with Power Transformer in each substation contract on turnkey basis within the last fifteen (15) years as on the date of opening of technical proposals of which at least one installation shall be in successful operation for minimum of three (3) years.

The Partners of the Joint Venture including the partner in charge jointly must have successfully completed at least three (03) Contracts including Design, supply, delivery, installation, testing & commissioning of extension/new substations of minimum two bays of 132 kV or higher voltage substation with Power Transformer on turnkey basis as contractor or subcontractor within the last fifteen (15) years as on the date of opening of technical proposals.
Bidders (partner in charge in case of Joint Venture) must also have project management experience (experience of partner in charge in case of Joint Venture) to demonstrate their management capability in at least one turnkey project (contract amount should not be less than US\$ 5.0 million) outside their own country or in the case of a Bangladeshi Bidder, in Bangladesh or elsewhere within the last fifteen (15) years as on the date of opening of technical proposals.
The above experiences shall be supported by user's certificates in their letterhead indicating their address, telephone & fax number and details of project (i.e. name, address & nationality of customer; details of Contract, voltage & equipment; completion period, commissioning date/commercial operation Contract value).

- (b) Bidders shall provide Audited Financial statements or other forms of Financial Statements such as Balance Sheets/Financial Statements certified by a registered accountant and supported by copies of tax returns for the last three (3) years as documentary evidence regarding Liquid Assets and Annual Turnover with their Bids. The minimum Liquid Assets & Annual Turnover for the Bidder's organization or Joint Venture shall not be less than the following:
(i) Liquid Assets: US\$ 1.5 million, average of last three (3) years
(ii) Annual Turnover: US\$ 15.0 million, average of last three (3) years
The partner in charge in case of Joint Venture shall meet not less than 50% and each partner of the Joint Venture shall meet not less than 25% of the minimum criteria given above item (b)(i) & (ii).
5. The Works under this turnkey contract shall be completed within 20 (twenty) months from the effective date i.e. date of signing of the contract.
6. Bidders may obtain further information from and inspect and purchase the bidding documents at the following address:
Power Grid Company of Bangladesh Ltd. (PGCB),
Institution of Engineers Bangladesh (IEB) Bhaban (4th floor),
Ramna, Dhaka-1000
Tel No.: 880-2-9555475, 9550514, 9558054
Fax No.: 880-2-7171833
7. To purchase the Bidding Document, Bidders should:

- Submit a written application to the Company Secretary, PGCB at the above address.
 - Pay a nonrefundable fee of USD 200.00 (United States Dollar two hundred only) or Tk. 15,000.00 (Taka fifteen thousand only) in the form of Pay Order/ Demand Draft in favor of the Power Grid Company of Bangladesh Ltd.
 - Bidding Document may also be sent through courier for an additional fee of Taka 500.00(for local delivery) or US\$ 50.00(for overseas delivery). PGCB shall not be responsible for any postal delay.
8. A pre-bid meeting will be held at 11:00am Bangladesh Standard Time on 10th August, 2011. You are requested to send your query (if any) at least before three (03) days of the pre-bid meeting.
9. Bids must be delivered to the Company Secretary, Power Grid Company of Bangladesh Ltd., IEB Bhaban (4th Floor), Ramna, Dhaka-1000 at or before 11:00am Bangladesh Standard Time on 6 September 2011. Bidders are requested to submit one sealed envelope, containing each of technical bid and price bid separately sealed. The technical bids will be opened immediately thereafter at 11:05am Bangladesh Standard Time on 6 September 2011, in the presence of bidders' representatives who choose to attend. The price bid will remain unopened & will be kept in the custody of employer until the time of opening in the price bids.
10. Bids must be accompanied by a Bid Security of US\$ 200,000 (United States Dollar two hundred thousand only) or an equivalent amount in a freely convertible currency and must be delivered to the Company Secretary, Power Grid Company of Bangladesh Ltd, Institution of Engineers Bangladesh (IEB) Bhaban (4th floor), Ramna, Dhaka-1000 at or before 11:00am Bangladesh Standard Time on 6 September 2011. The bid security must be included with the bid.
11. PGCB will not be responsible for any costs or expenses incurred by the bidders in connection with the preparation or delivery of bids including costs and expenses related to visits to the sites of installation of the Works.

**INVITATION FOR BIDS FOR THE
DESIGN, SUPPLY, ERECTION, TESTING AND COMMISSIONING OF
BARISAL-BHOLA-BORHANUDDIN 230KV DOUBLE CIRCUIT
TRANSMISSION LINE ON TURNKEY BASIS**

Contract No.: **PGCB/SC/TL/2011/03**

1. The Power Grid Company of Bangladesh Ltd. ("the Employer") invites sealed bids from eligible bidders for design, supply, erection, testing & commissioning of 230kV transmission lines on turnkey basis under PGCB fund as defined in the bidding document (hereinafter referred to as "the Works").
2. The Works include:
Design, supply, erection, testing & commissioning of Barisal-Bhola-Borhanuddin 230kV double circuit transmission line on turnkey basis (approx. 61 km including 5.5 km River Crossing).
Details of the scope of work are specified in the bidding document.

International Competitive Bidding will be conducted in accordance with Single Stage Two-Envelope bidding procedure and is open to all bidders from eligible source countries.
3. Bidders shall meet the following minimum requirements along with other requirements as mentioned in the bidding documents:

- (i) In-case of Single Entity, bidder must have the project execution experiences as Contractor including design, supply, delivery, foundation, erection, stringing & commissioning to demonstrate their capability in at least three (03) projects two (02) of which should be minimum double circuit overhead transmission line of 220kV or higher voltage and with route length of minimum 40km and other one of 132kv with minimum 15 km route length within last fifteen (15) years, of which at least one installation of 230 kV or higher shall be in successful operation for minimum of three (03) years as on the date of opening of bid proposals.
(ii) (a) In-case of joint venture, partner in charge must have the project execution experiences as Contractor including design, supply, delivery, foundation, erection, stringing & commissioning to demonstrate their capability in at least 02 projects (double circuit overhead transmission line of 220kV or higher voltage with minimum route length of 40 km within last fifteen (15) years, of which one installation shall be in successful operation for minimum of three (03) years as on the date of opening of bid proposals.
(b) In-case of Joint Venture, at least one partner other than partner in charge must have successfully completed at least one (01) Contract for design, supply, delivery, foundation, erection, stringing & commissioning of at least 15km 132 kV or higher voltage overhead transmission line on tower as contractor within the last fifteen (15) years as on the date of opening of technical proposals.
iii) Bidders (partner in charge in case of Joint Venture) must have project management experience of at least one (1) turnkey project (Contract amount should not be less than US\$ 10.0 million) outside their own country (In case of Bangladeshi Bidder in Bangladesh) within the last fifteen (15) years as on the date of opening of technical proposals.

4. Bidders shall provide Audited Financial statements or other forms of Financial Statements such as Balance Sheets/Financial Statements certified by a registered accountant and supported by copies of tax returns for the last three (3) years as documentary evidence regarding Liquid Assets and Annual Turnover with their Bids. The minimum Liquid Assets & Annual Turnover for the Bidder's organization or Joint Venture shall not be less than the following:
(i) Liquid Assets: US\$ 5.0 million, average of last three (3) years
(ii) Annual Turnover: US\$ 35.0 million, average of last three (3) years
The partner in charge in case of Joint Venture shall meet not less than 50% and each partner of the Joint Venture shall meet not less than 25% of the minimum criteria given above item (b)(i) & (ii).
5. The Works under this turnkey contract shall be completed within 20 (twenty) months from the effective date.
6. Bidders may obtain further information from and inspect and acquire the bidding documents at the Power Grid Company of Bangladesh Ltd. (PGCB), IEB Bhaban (3rd Floor), Ramna, Dhaka-1000, Tel: 880-2-9555475, 880-2-9550514, 880-2-9558054, Fax: 880-2-7171833. The complete bidding documents are available at our website <http://www.pgcb.org.bd/>. Interested bidders can download the bidding documents and commence preparation of bids to gain time. In case of any discrepancy between the documents downloaded by the prospective bidder and the Bid Documents (hard copy) of PGCB, the later shall prevail.
7. A complete set of bidding documents may be purchased by interested eligible bidders on submission of a written application to the Company Secretary, PGCB at the above address and upon payment of a nonrefundable fee of USD 250.00 (United States Dollar two hundred fifty only) or Tk. 18,500.00 (Taka eighteen thousands five hundred only) in the form of Pay Order/ Demand Draft in favor of the Power Grid Company of Bangladesh Ltd. The document may also be sent through courier for an additional fee of Taka 500.00(for local delivery) or US\$ 100.00(for overseas delivery). PGCB shall not be responsible for any postal delay.
8. A pre-bid meeting will be held at 11:00am Bangladesh Standard Time on 11 August, 2011. You are requested to send your query (if any) at least before three (3) days of the pre-bid meeting.
9. Bidder's are to submit simultaneously two sealed envelope one containing the technical bid another containing the price bid. Initially only the technical bids will be opened. The price bid will remain unopened & will be kept in the custody of employer until the time of opening in the price bids.
10. The technical bid will be opened at 11:05 BST or thereafter on 5 September 2011 in the presence of bidder's representatives who choose to attend.
11. All bids must be accompanied by a Bid Security of US\$ 350,000.00 (United States Dollar Three hundred fifty thousand only) or an equivalent amount in a freely convertible currency and must be delivered to the Company Secretary, Power Grid Company of Bangladesh Ltd., IEB Bhaban (4th Floor), Ramna, Dhaka-1000 at or before 11:00am Bangladesh Standard Time on 5 September 2011. The Bidder shall submit the original of above Bid Security with the original Technical Bid.
12. PGCB will not be responsible for any costs or expenses incurred by bidders in connection with the preparation or delivery of bids including costs and expenses related to visits to the sites of installation of the Works.

Md. Ashraf Hossain
Company Secretary
